Charles Dickens: the Writer and His Work Charles Dickens, 1948 **Charles Dickens, the Writer and His Work** Barbara Hardy, 1983 The Writers and their Work series contains three essays on Dickens an account of biographical and critical studies by K J Fielding and appreciations of the early and the late novels by Trevor Blount and Barbara Hardy respectively Professor Hardy's present essay the third Writers and their Work Special combines a biographical introduction with a complete survey of the novels sketches and other prose works Dickens originally learned his craft as a journalist and the essay begins with a chapter on his first descriptions of London Sketches by Boz it traces the process whereby his observation of city life and social change gradually developed into an elaborate fictional technique Of the early novels *Oliver Twist* and *Nicholas Nickleby* are the most fully discussed with especial attention to Dickens insight into criminal psychology in the former In the later novels beginning with *Bleak House* Hardy finds a closer unity of theme and structure the result of the firmer grasp of social criticism which Dickens displays during the 1850s and 1860s There had been plenty of exposure of contemporary injustices and abuses in the earlier fiction but in the later the confrontation between rich and poor has become more urgent the comedy less carefree the comic and serious elements more closely blended In these later novels too Hardy notes an effort to bring the imagination more closely to bear upon the inner life of the principal characters Dickens does not attempt the kind of novel which is shaped by inner action as George Eliot and Henry James were to do he keeps an external focus on society but strives within this dimension for a fuller access to the inward conflicts of characters such as Edith in *Dombey and Son* and Pip in *Great Expectations* Barbara Hardy 1924-2016 was Professor of English at Birkbeck College University of London Her publications include *The Novels of George Eliot A Study in Form* *The Appropriate Form An Essay on the Novel* *Middlemarch Critical Approaches to the Novel* *Critical Essays on George Eliot* *The Moral Art of Dickens* *The Exposure of Luxury* *Radical Themes in Thackeray* *A Reading of Jane Austen* *Tellers and Listeners* *The Narrative Imagination* and *The Advantages of Lyric Particularities Readings in George Eliot* [The Old Curiosity Shop](#) Charles Dickens, 2014-09-13 Charles Dickens needs no formal introduction having been the most popular English writer of the 19th century and still one of the most popular writers in history today Dickens upbringing was a mixture of happy times and sad when he recalled his father being sent to debtor's prison in his memoirs his tears actually left marks on the page Nevertheless Dickens was obsessed with reading making him a natural journalist by the age of 20 when he began a career in journalism Along the way he also began writing his own short stories and materials often serializing them in monthly installments in publications a popular method of publishing in the 19th century Unlike most writers Dickens would not write an entire story before it began its serialization allowing him to work on the fly and leave plot lines up in the air with each opportunity By the time he died at the relatively young age of 58 from a stroke he was already Europe's most famous writer His obituary noted that Dickens was a sympathizer with the poor the suffering and the oppressed Dickens was interred in

humour satire and keen observation of character and society His novels most published in monthly or weekly installments pioneered the serial publication of narrative fiction which became the dominant Victorian mode for novel publication The installment format allowed Dickens to evaluate his audience's reaction and he often modified his plot and character development based on such feedback For example when his wife's chiropodist expressed distress at the way Miss Mowcher in David Copperfield seemed to reflect her disabilities Dickens went on to improve the character with positive features Fagin in Oliver Twist apparently mirrors the famous fence Ikey Solomon His caricature of Leigh Hunt in the figure of Mr Skimpole in Bleak House was likewise toned down on advice from some of his friends as they read episodes In the same novel both Lawrence Boythorne and Mooney the beadle are drawn from real life Boythorne from Walter Savage Landor and Mooney from Looney a beadle at Salisbury Square His plots were carefully constructed and Dickens often wove in elements from topical events into his narratives Masses of the illiterate poor chipped in ha pennies to have each new monthly episode read to them opening up and inspiring a new class of readers
