## **Charles I And Oliver Cromwell A Study In Contrasts And Comparisons:**

Charles I and Oliver Cromwell Maurice Ashley, 2022-04-30 Originally published in 1987 this book compares and contrasts the characters and careers of two great protagonists in the English Civil War and its aftermath The book shows how Charles I and Oliver Cromwell were confronted with the same problems and therefore to a surprisingly large extent were obliged to deal with them in much the same kind of way The book re examines their military methods their approaches to religion their diplomatic manoeuvres their domestic policies and the manner in which they handled their parliaments Above all it considers how their vastly different personalities determined their actions Finally it debates how far a revolution of which Cromwell was the instrument and Charles the victim can be said to have taken place in the mid seventeenth century or whether what occurred was simply a political rebellion sparked off by religious passion

**A Royal Passion: The Turbulent Marriage of King Charles I of England and Henrietta Maria of France** Katie Whitaker, 2010-08-17 Presents the story of how the Protestant English King Charles I and his young French Catholic wife Henrietta found unexpected love and helped reign over an era of peace and prosperity until a war with Puritan Scotland risked their lives

**Charles I and Oliver Cromwell** Maurice Ashley, 1987 The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

**Royal Education** Peter Gordon, Denis Lawton, 1999 Many people assume that kings and queens have generally received a good education perhaps the best that money could buy at the time This book investigates the reality what is known about the education of British sovereigns from the beginning of the Tudor period to the end of the 20th century There have been enormous differences in the seriousness with which education was regarded at different points in history For example Henry VIII and his children were educated at a high point in the Renaissance when educational ideas were regarded as important as well as exciting Queen Elizabeth I was by any standards extremely well educated by contrast Queen Elizabeth II s education has been described as undemanding because her parents wanted her to have a happy childhood Peter Gordon and Denis Lawton have traced changes in royal education through the centuries and related them not only to educational ideas and theories but also to changing political social and religious contexts The monarchy itself has changed as an institution from the semi absolute authority of the Tudors to a much more limited kind of monarchy by the end of the Stuart period after one king had been executed and another exiled to the constitutional monarchy

of the 20th century To what extent have such changes made any difference to royal education What is the most appropriate kind of education for future kings and queens in our present day democracy In this book the authors confront these and other such questions and explore some of the answers t BR The monarchy itself has changed as an institution from the semi absolute authority of the Tudors to a much more limited kind of monarchy by the end of the Stuart period after one king had been executed and another exiled to the constitutional monarchy of the 20th century To what extent have such changes made any difference to royal education What is the most appropriate kind of education for future kings and queens in our present day democracy In this book the authors confront these and other such questions and explore some of the answers
