**Washington Irving**

## **Charles Lee A Soldier Of Fortune:**

**Charles Lee** Dominick Mazzagetti,2013-10-01 Dominick Mazzagetti presents an engaging account of the life of Charles Lee the forgotten man of the American Revolution History has not been kind to Lee for good reason In this compelling biography Mazzagetti compares Lee s life and attributes to those of George Washington and offers significant observations omitted from previous Lee biographies including extensive correspondence with British officers in 1777 that reflects Lee s abandonment of the Patriots cause Lee a British officer a veteran of the French and Indian War and a critic of King George III arrived in New York City in 1773 with an ego that knew no bounds and tolerated no rivals A highly visible and newsworthy personality he quickly took up the American cause and encouraged rebellion As a result of this advocacy and his military skills Lee was granted a commission as a major general in the Continental Army and soon became second in command to George Washington He helped organize the defense of Boston designed defenses for New York City and commanded the force that repelled the British attack on Charleston Upon his return to New York in 1776 Lee was considered by some leaders of the Revolution to be an alternative to George Washington who was in full retreat from British forces Lee s capture by the British in December 1776 put an end to that possibility Lee s subsequent release in a prisoner exchange in 1778 and return to an American command led to a dramatic confrontation with Washington on the battlefield at Monmouth New Jersey in June 1778 Washington chastised Lee publicly for ordering an unnecessary retreat Lee suffered the ignominy of a court martial conviction for this blunder and spent the remaining years to his death in 1782 attacking Washington Although few doubted Lee s loyalty at the time his actions at Monmouth fueled speculation that he switched sides during his imprisonment A discovery years after his death completed Lee s tale In 1862 a researcher discovered Mr Lee s Plan a detailed strategy for the defeat of the American rebels delivered to British General William Howe while Lee was held in captivity This discovery sealed Lee s historical record and ended all further discussion of his contributions to the American Revolution Today few people even realize that Fort Lee on the New Jersey side of the George Washington Bridge was named in his honor **A**
