Charles Rennie Mackintosh James Steele, Charles Rennie Mackintosh, 1994 Insightful analysis into Mackintosh's architecture with many previously unpublished views of his most important buildings *Encyclopedia of Twentieth Century Architecture* R. Stephen Sennott, 2004 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the Encyclopedia of 20th Century Architecture website Focusing on architecture from all regions of the world this three volume set profiles the twentieth century's vast chronicle of architectural achievements both within and well beyond the theoretical confines of modernism Unlike existing works this encyclopedia examines the complexities of rapidly changing global conditions that have dispersed modern architectural types movements styles and building practices across traditional geographic and cultural boundaries *Mackintosh's Masterwork* Charles Rennie Mackintosh, 2004 Of the many practitioners of art nouveau in Great Britain Charles Rennie Mackintosh 1868-1928 has outlasted them all His work bridged the more ornate style of the later nineteenth century and the forms of international modernism that followed Like Frank Lloyd Wright with whom he is frequently compared he is known for so thoroughly integrating art and decoration that the two became inseparable His work has been honored by a major exhibition at the Metropolitan Museum of Art and his designs have proliferated to such an extent that they can be found reproduced in posters prints jewelry and even new buildings His most important project was the Glasgow School of Art which still functions as a highly prestigious art school This glorious building is visited each year by thousands of tourists from around the world Built over a dozen years beginning in 1897 the Glasgow School of Art is Mackintosh's greatest and most influential legacy This completely redesigned and heavily illustrated edition of Mackintosh's Masterwork has been greatly expanded and contains newly discovered material about both the early life of the architect and the formative years in which his plans for the School of Art were executed The Grove Encyclopedia of Decorative Arts Gordon Campbell, 2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non-western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstätte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms *Directory of British Architects, 1834-1914* Antonia Brodie, British Architectural Library, Royal Institute of British Architects, 2001-12-20 A comprehensive biographical directory of some 11 000 British architects who worked between 1834 and 1914 *Charles Rennie Mackintosh and Co., 1854 to 2004* David Stark, 2004 Charles Rennie Mackintosh was the third partner of John Honeyman and Keppie the

architectural practice now called Keppie Design which celebrated its 150th anniversary in 2004 Keppie's current managing director David Stark explores the development of the practice and its legacy of buildings across the West of Scotland and beyond including the influential Mackintosh years But this isn't just another dry book about buildings It's also a tale of Victorian industrialists and their wealth and lifestyles Kate Cranston and her famous tea rooms and of other lesser known architectural names such as John Keppie and Graham Henderson From the white heat of Victorian economic activity and the resultant boom in the building of churches charitable institutions and country villas the story moves through more difficult years for the profession with a candour not often found in company histories It is brought up to date with an examination of current trends and recent projects at a time when architecture is once again flourishing

**Charles Rennie Mackintosh** John McKean, 2000 This updated edition of this handy guide to the work of Scotland's renowned architect designer is fully updated to take into account the latest research and changes in access to buildings

**A Global History of Architecture** Francis D. K. Ching, Mark M. Jarzombek, Vikramaditya Prakash, 2010-12-13 The award winning First Edition of A Global History of Architecture was a publishing event that forever changed the way architectural history is viewed and studied This Second Edition surpasses the first with a lavish new design illustrated throughout with drawings and photographs in full color and even more maps and diagrams detailing global interconnections The signature drawings of Francis D K Ching are more informative than ever updated with scale annotation and function added where needed This revision is sure to remain the most relevant book on the topic

**Key Houses of the Twentieth Century** Colin Davies, 2006 Featuring over 100 of the most significant and influential houses of the twentieth century For each of the houses included there are numerous accurate scale plans showing each floor together with elevations sections and site plans where appropriate All of these have been specially drawn for this book and are based on the most up to date information and sources
