## **Charles De Gaulle:**

**Charles de Gaulle** Don Cook,2023-04-11 From one of America's longest serving foreign correspondents a biography of France's controversial politician and statesman The first major biography of Charles de Gaulle written from an American perspective this book offers a compelling assessment of the French army officer politician and statesman Author Don Cook former bureau chief for the Los Angeles Times delineates de Gaulle's obsession with power and how the military man rose to leadership in the years following the fall of France during the Second World War Recounting de Gaulle's triumphant quest to find dignity and independence for France Cook masterfully brings to life one of Europe's most influential leaders of the twentieth century

Charles de Gaulle William R. Keylor,2020-12-07 In this definitive history William R Keylor traces the tumultuous relationship between Charles de Gaulle and a host of other key twentieth century figures his former mentor Marshal Philippe Pétain who headed the collaborationist government in the southern French city of Vichy as the German army occupied the northern two thirds of the country Sir Winston Churchill the British prime minister whose government supported and financed de Gaulle and the Free French but who clashed with the French leader on a number of hot button issues and most critically the six American presidents from FDR to Nixon Keylor uses the metaphor thorn in the side to emphasize the fact that challenges from the intrepid French leader were often an annoyance to the Americans who all had many more important issues to deal with World War II for Roosevelt and Truman the Cold War for Eisenhower and the Vietnam War for Kennedy and Johnson Richard Nixon alone had an excellent relationship but the two men overlapped for only four months before de Gaulle's retirement Thoroughly researched and deeply knowledgeable this gripping book will appeal to all readers interested in contemporary French and US history

*De Gaulle* Julian Jackson,2003 Accessible and affordable illustrated biography

*The War Memoirs* Charles de Gaulle,2024-11-19 The complete war memoirs of the resistance leader Charles de Gaulle who led France out of its darkest hour during the Nazi occupation during World War II Faced with the political disaster I had to become France This was how Charles de Gaulle answered the call of history One of the few French battlefield leaders to have distinguished himself in May 1940 he had become the undersecretary of state for national defense But when the government rejected his calls to fight on and prepared to capitulate to Hitler he escaped to London There he instigated a resistance calling on all the French who want to remain free to listen to me and follow me in the legendary radio address of June 22 He was sentenced to death in absentia as his country made a disgraceful peace but his Free France movement rallied people around the world to resist German occupation and fight for the liberation of Europe Originally published in three volumes *The War Memoirs* of Charles de Gaulle is the story of the resurrection of France from its darkest hour collaborating with Hitler and the Nazi empire The first section *The Call* examines the years leading up to France's defeat and the confusion and despair triggered by Hitler's blitzkrieg The second section *Unity* describes de Gaulle's struggles to rally the French in both Africa and underground movements throughout Europe and often bitter conflicts with

the Allied leaders as he sought legitimacy and resources Salvation the final installment chronicles the turning of the tide of war against Nazi Germany de Gaulle's triumphant return to France and the reincarnation of the French Republic as a major international presence De Gaulle's great prophecy of 1940 had been fulfilled France had lost a battle but she did not lose the war

*A Certain Idea of France* Julian Jackson, 2018-06-18 A SUNDAY TIMES THE TIMES DAILY TELEGRAPH NEW STATESMAN SPECTATOR FINANCIAL TIMES TLS BOOK OF THE YEAR Masterly awesome reading an outstanding biography Max Hastings Sunday Times The definitive biography of the greatest French statesman of modern times In six weeks in the early summer of 1940 France was over run by German troops and quickly surrendered The French government of Marshal P tain sued for peace and signed an armistice One little known junior French general refusing to accept defeat made his way to England On 18 June he spoke to his compatriots over the BBC urging them to rally to him in London Whatever happens the flame of French resistance must not be extinguished and will not be extinguished At that moment Charles de Gaulle entered into history For the rest of the war de Gaulle frequently bit the hand that fed him He insisted on being treated as the true embodiment of France and quarrelled violently with Churchill and Roosevelt He was prickly stubborn aloof and self contained But through sheer force of personality and bloody mindedness he managed to have France recognised as one of the victorious Allies occupying its own zone in defeated Germany For ten years after 1958 he was President of France's Fifth Republic which he created and which endures to this day His pursuit of a certain idea of France challenged American hegemony took France out of NATO and twice vetoed British entry into the European Community His controversial decolonization of Algeria brought France to the brink of civil war and provoked several assassination attempts Julian Jackson's magnificent biography reveals this the life of this titanic figure as never before It draws on a vast range of published and unpublished memoirs and documents including the recently opened de Gaulle archives to show how de Gaulle achieved so much during the War when his resources were so astonishingly few and how as President he put a medium rank power at the centre of world affairs No previous biography has depicted his paradoxes so vividly Much of French politics since his death has been about his legacy and he remains by far the greatest French leader since Napoleon

**The General** Jonathan Fenby, 2012-06-20 No leader of modern times was more uniquely patriotic than Charles de Gaulle As founder and first president of the Fifth Republic General de Gaulle saw himself as carrying France on his shoulders In his twenties he fought for France in the trenches and at the epic battle of Verdun In the 1930s he waged a lonely battle to enable France to better resist Hitler's Germany Thereafter he twice rescued the nation from defeat and decline by extraordinary displays of leadership political acumen daring and bluff heading off civil war and leaving a heritage adopted by his successors of right and left Le G n ral as he became known from 1940 on appeared as if he was carved from a single monumental block but was in fact extremely complex a man with deep personal feelings and recurrent mood swings devoted to his family and often seeking reassurance from those around him This is a magisterial sweeping biography of one of the great leaders of the

twentieth century and of the country with which he so identified himself Written with terrific verve narrative skill and rigorous detail the first major work on de Gaulle in fifteen years brings alive as never before the private man as well as the public leader through exhaustive research and analysis      **The Paris Game** Ray Argyle,2014-08-02 Long dismissed as a vain and arrogant self seeker chasing glory Charles de Gaulle is revealed in *The Paris Game* as a transformative figure of the twentieth century whose unflagging determination brings France back from defeat and saves it from the twin threats of Communism and dictatorship      **Cmp Mem Dgaulle P** Charles de Gaulle,1972 Originally three separate volumes covering three distinct periods this single edition encompasses all of de Gaulle s personal writings from the fall of France in 1940 to the aftermath of the war in 1946 Maps Index      **The Complete War Memoirs of Charles de Gaulle 1940-1946** Charles de Gaulle,1967      Charles de Gaulle Régis Debray,1994 In this elegant and original book Régis Debray argues that for two hundred years the defeats of the left have stemmed from its failure to understand what it likes to call the national question while equally its successes have grown from an unacknowledged liaison with the unreal reality of the nation According to Debray Charles DE Gaulle was no narrow nationalist By grounding his actions in a generous philosophy of the nation he was able to wed boldness to insight on 14 June 1940 he appointed himself leader of the free French disregarding the overwhelming parliamentary and legal mandate according to Petain This intuitive action was to be resoundingly vindicated in the resistance and liberation of France This study of De Gaulle is offered as an indictment of the shallowness of contemporary politics in the West For Debray De Gaulle is not only the last statesman in the classic mould he is also the first to anticipate the politics of the twenty first century De Gaulle s aloofness from the media and disdain for the base arts of electioneering have an exemplary quality Debray believes reaffirming the vocation of political leadership as something other than adapting to popular preferences or allowing professional communicators and opinion pollsters to set every agenda

Charles de Gaulle Charles Cogan,1996 This is the first book to combine a comprehensive historical analysis of Charles de Gaulle and Gaullism with a selection of related documents In a compelling narrative Cogan examines the three major stages of de Gaulle s career he also assesses the Gaullist movement and its legacy for France for Europe and for transatlantic relations A collection of 25 primary sources many of which have never before been published in English allows a firsthand reading and analysis of an array of government documents interviews press conferences and excerpts from de Gaulle s memoirs and speeches Maps and photographs throughout a headnote for each document a chronology questions for consideration and suggestions for further reading help make this book a fascinating resource      Pledge to Destiny: Charles de Gaulle and the Rise of the Free French Robert Smith Thompson,1974      ,      **"Vive de Gaulle," the Story of Charles de Gaulle** Alfred Apsler,1973-01-01 A biography of the Frenchman who served his country in the military during World Wars I and II and later as President for ten years      *Two Frenchmen* David Thomson,1951      **De Gaulle's Legacy** W. Nester,2014-12-16 This book explores the following What is the art of power What is the art of French power How did

Charles de Gaulle understand and assert power establishing the Fifth Republic and breaking centuries of political instability How well or poorly have his successors wielded the art of French power to define defend or enhance French interests

**Charles de Gaulle. [With a Bibliography.].** Dominique de Roux,1967      **The De Gaulle Nobody Knows** Alden Hatch,1960 A biography with many hitherto unknown details of his early life which shows his rise to fame in World War 2 his years of obscurity and his comeback sparked by the Algerian crisis      France and Her Army Charles De Gaulle,2015-08-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Charles De Gaulle and the Media** Riccardo Brizzi,2017-11-22 This book explores Charles De Gaulle s use and strict control of television between 1958 and 1969 highlighting the association between charismatic power and television with regards to legitimizing the Gaullist leadership and determining an evolution towards presidentialism during the Fifth Republic A protagonist of European political history of the twentieth century Charles de Gaulle was a pioneer in the use of mass media in the Second World War he had earned the nickname of G n ral micro due to his reliance on radio communication in 1958 he then started an substantive and fruitful use of television which some of his opponents labelled as telecracy From difficult beginnings where he followed the advice of publicity and communication experts through his masterful TV appearances during the dramatic moments of the Algerian War to the presidential campaign of 1965 and the crisis of May 1968 the author paints a compelling fresco of de Gaulle as the first TV leader in contemporary European history The book will appeal to students and scholars interested in the fields of French politics political communication and political leadership

### **Charles De Gaulle Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Charles De Gaulle has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Charles De Gaulle has opened up a world of possibilities. Downloading Charles De Gaulle provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Charles De Gaulle has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Charles De Gaulle. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Charles De Gaulle. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Charles De Gaulle, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Charles De Gaulle has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
