The Address of Charles Francis Adams, of Massachusetts Charles Francis Adams, 1873 *Tis Sixty Years Since: Address of Charles Francis Adams* Charles Francis Adams, In the single hour self allotted for my part in this occasion there is much ground to cover the time is short and I have far to go Did I now therefore submit all I had proposed to say when I accepted your invitation there would remain no space for preliminaries Yet something of that character is in place I will try to make it brief As the legend or text of what I have in mind to submit I have given the words Tis Sixty Years Since As some here doubtless recall this is the second or subordinate title of Walter Scott s first novel Waverley which brought him fame Given to the world in 1814 hard on a century ago Waverley told of the last Stuart effort to recover the crown of Great Britain that of The 45 It so chances that Scott s period of retrospect is also just now most appropriate in my case inasmuch as I entered Harvard as a student in the year 1853 sixty years since It may fairly be asserted that school life ends and what may in contradistinction thereto be termed thinking and acting life begins the day the young man passes the threshold of the institution of more advanced education For him life s responsibilities then begin Prior to that confused thenceforth things with him become consecutive a sequence Insensibly he puts away childish things
