**Charles Ives** J. Peter Burkholder, 1987-01-01 Looks at how Ives music changed over the course of his career identifies the most important influences and discusses the themes of Ives work American Experimental Music 1890-1940 David Nicholls, 1990 From the end of the nineteenth century a national musical consciousness gradually developed in the USA as composers began to turn away from the European conventions on which their music had hitherto been modelled It was in this period of change that experimentation was born In this book the composer and scholar David Nicholls considers the most influential figures in the development of American experimental music including Charles Ives Charles Seeger Ruth Crawford Henry Cowell and the young John Cage He analyses the music and ideas of this group explaining the compositional techniques invented and employed by them and the historical and cultural context in which they emerged *A Descriptive Catalogue of the Music of Charles Ives* James B. Sinclair, 1999-01-01 This catalogue of the music of Charles Ives contains 728 entries covering all of the prolific composer's works James Sinclair's book presents information produced by recent Ives scholarship and generous commentary on each of Ives's compositions It completes the work begun by musicologist John Kirkpatrick in 1955 when Ives's music manuscripts were deposited in the Yale Music Library Ives's works are arranged alphabetically by title within genres Whenever possible each entry includes the main title and any other titles the composer may have used the forces required the duration headings of movements publication history citation of the first known performance and first recording the derivation of the work listing music on which it may be modeled or from which it may borrow material the principal literature treating the piece and commentary on these and other matters The catalogue also provides musical incipits for all Ives's extant works seven appendixes covering his work lists Quality Photo lists his songbooks a chronology of his life recordings made by Ives and his private publications and commercial publishers three concordances and four extensive indexes addresses names titles and musical borrowings **Charles Ives's Concord** Kyle Gann, 2017-05-16 In 1921 insurance executive Charles Ives sent out copies of a piano sonata to two hundred strangers Laden with dissonant chords complex rhythm and a seemingly chaotic structure the so called Concord Sonata confounded the recipients as did the accompanying book *Essays before a Sonata* Kyle Gann merges exhaustive research with his own experience as a composer to reveal the Concord Sonata and the essays in full Diffracting the twinned works into their essential aspects Gann lays out the historical context that produced Ives's masterpiece and illuminates the arguments Ives himself explored in the *Essays* Gann also provides a movement by movement analysis of the work's harmonic structure and compositional technique connects the sonata to Ives works that share parts of its material and compares the 1921 version of the Concord with its 1947 revision to reveal important aspects of Ives's creative process A tour de force of critical theoretical and historical thought Charles Ives's Concord provides nothing less than the first comprehensive consideration of a work at the heart of twentieth century American music **An Improvisational Reading of Charles Ives's Concord Sonata** Scott

Walton,2003      Music at the Turn of Century Joseph Kerman,1990-01-01 Turn of the century modernists were involved implicated and often locked in a struggle with all the formidable legions of nineteenth century music The focus of this collection essays originally published in the journal 19th Century Music is upon modernism in relation to its immediate heritage Major composers whose reflections on the past come under consideration include Debussy Mahler Schoenberg Stravinsky Bartok and Ives while older composers such as Liszt and Wolf figure as precursors of modernist harmony and sensibility The contributors include many leading musicologists critics and music theorists known for their work on nineteenth and twentieth century music Some of the essays deal closely with the new musical languages that evolved in that era others deal with reception and performance issues Many of them bring together insights from various sub disciplines to achieve a richer kind of composite scholarship than is available to traditional musical studies      **A Charles Ives Omnibus** Michael J. Budds,2008 Central to the evolution of American music is the legacy of Charles Ives This grand scale reference work provides details surrounding the multifarious responses to the achievement of this singular businessman musician for more than a century Performances recordings journalistic reports reviews and scholarly studies of all kinds as well as assorted Ivesiana in the form of literature art film dance and other expressions of homage are included Many of the entries are amplified with contextual information or carefully selected excerpts Professor Burk has been an enthusiastic connoisseur of Ives s music and a thoughtful student of the Ives literature for many years his systematic presentation results in much more than a glorified work list or another ambitious bibliography      **ESSAYS BEFORE A SONATA** Charles Ives,2024 Essays Before a Sonata is a one of a type and groundbreaking piece of artwork by means of American composer Charles Ives who recognized for making critical additions to twentieth century music This set of writings is going with Ives Concord Sonata a piece of music that turned into stimulated by means of the transcendentalist writers and thinkers who lived in Concord Massachusetts Ives writes approximately music philosophy and life in these writings which provide you a way to understand the intellectual and creative historical past of the Concord Sonata The identify itself suggests that Ives thought the listener have to think cautiously approximately the piece of track before they virtually listen it Ives writes approximately a number of various things along with the connection among song and transcendentalist theory the idea of invention and the place of dissonance in track Like Ralph Waldo Emerson Henry David Thoreau and Nathaniel Hawthorne he sees links among what he is studying and the philosophical thoughts of these great minds Essays Before a Sonata indicates how avant garde and innovative Ives was with all of his songs and high degree writing As a hyperlink among tune and notion it helps listeners apprehend how complicated the Concord Sonata is and gives them a better know how of Ives s specific musical imagination and foresight      **The Oxford History of Western Music** Richard Taruskin,2010 A survey of the traditions of western music by one of the most prominent and provocative musicologists of our time this book illuminates through a representative sampling of masterworks those themes styles and currents that give shape and direction to each musical age      **Memos**

Charles Ives, John Kirkpatrick, 1972      **The Oxford History of Western Music: The early twentieth century** Richard Taruskin, 2005 Based on the award winning six volume work by Richard Taruskin The Oxford History of Western Music College Edition presents the most up to date and comprehensive history of Western music available      The New Grove Dictionary of Music and Musicians: Borowski to Canobbio Stanley Sadie, John Tyrrell, 2001 This reference classic has approximately doubled in size since its last publication 20 years ago and the expansion involves more than the thorough revision and addition of articles about music of the past More articles about 20th century composers and composer performers have been added as well as topical articles about the gender related multicultural and interdisciplinary ways that music is now being studied Add to these changes that New Grove is also available online making it a source that would have made its many faceted creator Sir George Grove proud Outstanding reference sources American Libraries May 2002

Charles Ives The Ideas Behind The Music: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
