## Charleston Then And Now:

Charleston Then and Now® W. Chris Phelps, 2013-07-01 Putting archive and contemporary photographs of the same landmark side by side Charleston Then and Now provides a visual chronicle of the city's rich and turbulent past. Founded in 1670, Charleston has endured a succession of fires, hurricanes, and earthquakes and played a key role in the American Revolution and the Civil War, and Charlestonians have prevailed through it all. This collection of photographs shows how much of this deeply fascinating city has survived and celebrates a few architectural gems that have been lost to natural disasters and the wrecking ball. Sites include Cooper River Bridges, Fireproof Building, Washington Square, East Battery, Coates Row, The Old Exchange, Vendue Range, Custom House, Meeting Street, Old Slave Mart, Dock Street Theatre, French Huguenot Church, The Old Powder Magazine, Charleston Hotel, Market Hall, Gibbes Museum of Art, King Street, Osceola's Grave, Middleton Place, and Drayton Hall. *Charleston Then and Now* Leigh Jones Handal, 2024-05-09 Following her success with *Lost Charleston*, local author and city tour guide Leigh Jones Handal brings a fresh approach to one of the key titles in the Pavilion Books trademark series. **Charleston Style** Susan Sully, 2003 Ever since Charleston first gained a reputation as a bastion of southern living in a modern metropolitan setting, its style and grace have been clear to all visitors to this unique city. Charleston's roots go all the way back to its days as a powerful colonial port, and *Charleston Past and Present* represents the finest residences from the early seventeenth century to more modern times, as well as their histories. This newly formatted edition maps the city's charm through its exquisite and sometimes eccentric architecture, decorative arts, and garden designs, featuring full-color photography by John Blais of nineteen southern homes and estates. With a delightful foreword by acclaimed novelist Josephine Humphreys, it is the essential coffee-table book for the thousands who visit Charleston each year. *Charleston Then and Now* John Carson Hay Steele, 1996 A photographic record of the change brought about over the last one hundred years in and near the city of Charleston. Included are sixty points of interest in and near the city between the 1890s, when the first set of photographs were taken, and the 1990s, when each of the early scenes were rephotographed. The pictures, old and new, are arranged side by side, proceeding northward from the Battery in a tour sequence. **Charleston Then & Now** John Carson Hay Steele, 1974 Jack Steele's grandparents gave him photographs of Charleston as it looked in the 1890s, and later Mr. Steele conceived the idea of comparing these views with contemporary photographs of the same sites.
