Ports of Call Cecil Milliner, 2003-08 The stories in this anthology are from speeches and lectures presented by the author to service clubs organizations schools and universities and to the toastmasters clubs If you want to be entertained and enlightened the information in this anthology covers everything a reader will desire Travel history and entertainment

Driving Mr. Charlie Victor Johnson, 2016-08-10 There were protests around Parker Center the headquarters of the LAPD The officer was not charged with a crime He did however face a board of review About one year later he was fired by Chief Daryl Gates It was revealed that the black officer was once a policeman in Chicago Illinois While with that department he shot and wounded a woman who like Eula Love was black In recent years there have been many controversial shootings between police officers and black citizens many who were unarmed My book which is mostly fiction may raise the question of whether the 1979 shooting was nearly as bad as the ones since Kelley Jefferson is a fictionalized version of the black officer I dont even remember the name of the actual officer His redemption and reinstatement are pure fiction It is however possible that by todays standards and with a good lawyer that policeman could have kept his job Be mindful however that the author is not taking a side but is making a prediction based on some recent events Other true events helped to inspire this story In 1953 a home invasion robbery resulted in the death of a sixty four year old widow named Mabel Monahan One of the killers was a thirty year old woman named Barbara Graham In 1955 she was executed in the gas chamber Another subplot centers around the US Supreme Court ruling against state supported school segregation in 1954 as well as the death of John Kennedy and the resulting presidency of Lyndon B Johnson and Johnsons support of the Vietnam War The story talks about his decision not to seek reelection in 1968 The movie studio system in Hollywood was also an inspiration for other subplots
