Charlie Chaplin And His Women:

Charlie Chaplin and His Women Irwin Guzov, 2001-09 This book is a novelistic description of Chaplin's tortured relations with women starting with his insane mother. Rebuffed by his first love, a fifteen-year-old girl, he spends his whole life seeking someone who resembles his teenage sweetheart. Like Nabokov's antihero Humbert in *Lolita*, Nabokov had Chaplin in mind when he wrote his novel; he lusts after young girls. He pursues Mildred Harris, an actress, when she was but sixteen and marries her only when she tells him that she is pregnant. He divorces her after she gives birth to a malformed baby who doesn't survive. His next willing innamorata is Lita Grey, age sixteen, whom he reluctantly marries when her family threatens him with a charge of statutory rape. During his marriages to Mildred Harris and others and also between marriages, he provides the country's newspaper reporters with ample opportunities to write about his escapades with stars such as Marion Davies, the mistress of the famous publisher William Randolph Hearst; Pola Negri; Louise Brooks; and Paulette Goddard, all known stars of the 1920s and 1930s. They are but a few of the women linked to his name in the daily headlines of the nation's newspapers. In the 1940s, he becomes involved in an internationally publicized paternity suit brought on by an ostensibly disturbed and alcoholic girl named Jane Barry. He finally takes up with Oona O'Neil, then age seventeen; he was fifty-four and marries her against the advice of saner heads.

Sex In The Head Linda R. Williams, 2016-07-01 In *Sex in the Head*, Linda Ruth Williams uses psychoanalysis and recent feminist film theory to analyze a network of ideas which link looking with sexuality and difference in the work of a writer who disavowed yet covertly enjoyed the pleasures and power of vision. The book is a departure from the long history of feminist readings of Lawrence in that it discusses his engagement with theories of the gaze and its cultural forms: cinema, photography, painting, and the visual dynamics and metaphors of literary texts as a way of thinking through gender. It shows him arguing on the one hand against the evils of cinema and visual sex while relishing through the eyes of women the moving spectacle of those male bodies which populate the pages of his books. It also questions what it is about the work of such an adamant cinephobe which has made it so thoroughly adaptable for film and television.

An Encyclopedic Dictionary of Women in Early American Films Denise Lowe, 2014-01-27 Examine women's contributions to film in front of the camera and behind it. *An Encyclopedic Dictionary of Women in Early American Films 1895-1930* is an A to Z reference guide illustrated with over 150 hard-to-find photographs that dispels the myth that men dominated the film industry during its formative years. Denise Lowe, author of *Women and American Television*. *An Encyclopedia* presents a rich collection that profiles many of the women who were crucial to the development of cinema as an industry and as an art form. Whether working behind the scenes as producers or publicists, behind the cameras as writers, directors, or editors, or in front of the lens as flappers, vamps, or serial queens, hundreds of women made profound and lasting contributions to the evolution of the motion picture production. *An Encyclopedic Dictionary of Women in Early American Films 1895-1930* gives you immediate access to the histories of many of the women who pioneered the early days of cinema.
