Charlie to the Rescue Robert Michael Ballantyne,2020-04-16 At first there were few things apparently that did seem to his infant mind desirable for his earliest days were marked by a sort of chronic crossness that seemed quite unaccountable in one so healthy but this was eventually traced to the influence of pins injudiciously disposed about the person by nurse Possibly this experience may have tended to develop a spirit of brave endurance and might perhaps account for the beautiful modifications of character that were subsequently observed in him At all events sweet patient amiability was a prevailing feature in the boy long before the years of infancy were over and this heavenly aspect of him was pleasantly diversified in course of time by occasional displays of resolute we might almost say heroic self will which proved a constant source of mingled pride and alarm to his widowed mother [Charlie To The Rescue](#) Robert Michael Ballantyne,2024-12-02 NEW PRINT WITH PROFESSIONAL TYPE SET IN CONTRAST TO SCANNED PRINTS OFFERED BY OTHERS *Charlie To The*

Charlie to the Rescue Robert Michael Ballantyne,2021-03-28 We have no intention of carrying our reader on step by step through all the adventures and deeds of Charlie Brooke It is necessary to hasten over his boyhood leaving untold the

many battles fought risks run and dangers encountered He did not cut much of a figure at the village school though he did his best and was fairly successful but in the playground he reigned supreme At football cricket gymnastics and ultimately at swimming no one could come near him This was partly owing to his great physical strength for as time passed by he shot upwards and outwards in a way that surprised his companions and amazed his mother who was a distinctly little woman a neat graceful little woman with like her stalwart son a modest opinion of herself As a matter of course Charlie s school fellows almost worshipped him and he was always so willing to help and lead them in all cases of danger or emergency that Charlie to the rescue became quite a familiar cry on the playground Indeed it would have been equally appropriate in the school for the lad never seemed to be so thoroughly happy as when he was assisting some boy less capable than himself to master his lessons About the time that Charlie left school while yet a stripling he had the shoulders of Samson the chest of Hercules and the limbs of Apollo He was tall also over six feet but his unusual breadth deceived people as to this till they stood close to him Fair hair close and curly with bright blue eyes and a permanent look of grave benignity completes our description of him
