## Charlie Wilcox:

Youngblood John Oliver Killens, 2000-04-01 John Oliver Killens's landmark novel of social protest chronicles the lives of the Youngblood family and their friends in Crossroads Georgia from the turn of the century to the Great Depression. Its large cast of powerfully affecting characters includes Joe Youngblood, a tragic figure of heroic physical strength; Laurie Lee, his beautiful and strong-willed wife; Richard Myles, a young high school teacher from New York; and Robby, the Youngbloods' son who takes the large risk of becoming involved in the labor movement. **Challenging Stories** Anne Burke, Ingrid

Johnston, Angela Ward, 2017-07-31 How can Canadian educators begin to instill cultural sensitivity and social awareness in elementary and secondary school students? This vital text attempts to answer that question by bringing together literacy scholars and practicing teachers in a unique cross-Canadian exploration of children's literature and social justice. Through reflection on the experience of teaching with various Canadian texts including picture books, novels, and graphic novels, the contributors behind *Challenging Stories* create a pedagogy of discomfort that will encourage both educators and their students to develop critical literacy skills. The compelling contributions to this collection highlight the complexities of teaching with texts that address issues of discrimination, historical marginalization, colonialism, racial and gender intolerance, sexual orientation, language, and cultural diversity. The authors offer first-hand insight into the possibilities and challenges of implementing curricular and pedagogical changes to promote equity and social justice in the classroom. Featuring the stories of participating teachers and an annotated bibliography of children's literature, this invaluable resource will prove to be essential reading for current and future educators.
