Charlotte Von Kirschbaum And Karl Barth:

Charlotte Von Kirschbaum and Karl Barth Suzanne Selinger, 1998 Charlotte von Kirschbaum and Karl Barth is the first concentrated study of the collaboration of the towering theologian Karl Barth and his secretary and theological assistant for more than three decades Charlotte von Kirschbaum Barth always maintained that he could not have produced his theological oeuvre without her Von Kirschbaum was also his constant companion Discussion of the two has long been aswirl in rumor and speculation with regard both to their personal relationship and to von Kirschbaum's part in Barth's theological achievement Drawing upon published and unpublished sources that include their own writings the observations of contemporaries and correspondence with people who knew them Suzanne Selinger seeks to describe the collaboration in a multidimensional way Von Kirschbaum gave a series of lectures in 1949 published in the same year on women in the perspective of Scripture theology and the church In the three volumes of Barth's Church Dogmatics that deal with humankind including the male female relationship as the locus of the image of God Barth cites von Kirschbaum's scholarship The subject inevitably reflects upon their own relationship Moreover it is just this subject the anthropology of gender that has been the source of the categorical rejection of Barth by many feminists The author a Barthian a feminist and a trained historian addresses the concerns of Barth's critics by agreeing deeply with them in part but also by insisting upon understanding Barth and von Kirschbaum contextually This means biographically and in relation to early German feminism a phenomenon little known in the English speaking world the intellectual movement known as dialogical personalism and the background of everything Barth and von Kirschbaum wrote or thought in their work together the steady threatening growth of the Nazi state World War II and the postwar German situation **In the Shadow of Karl Barth** Renate

Koebler, 2014-03-07 This in depth portrait of Charlotte von Kirschbaum examines the notable influence she exerted on Karl Barth and his writings In the Shadow of Karl Barth also includes two of von Kirschbaum's own lectures notably The Role of Women in the Proclamation of the Word an important contribution to feminist thought Through personal interviews and contacts with relatives and friends of both Barth and von Kirschbaum author Renate Koebler frees von Kirschbaum from obscurity keeping her memory fresh Koebler's work will be of special interest to seminarians church historians theologians and all readers concerned with women and religion Charlotte Von Kirschbaum and Karl Barth Suzanne

Selinger, 1998-01-01 A study of the relationship between Karl Barth and his assistant Charlotte von Kirschbaum In the Shadow of Karl Barth Renate Köbler, 1987 **The Question of Woman** Charlotte von Kirschbaum, 1996 This collection of lectures by the secretary and friend of Karl Barth establishes her as a theologian in her own right She addresses important early feminist issues such as the divinely ordained nature of relationships between the sexes and the rights of women to lay and ordained ministry in the church **A Terrifying Grace** Rob Yule, 2017-04-28 Romance and sexual intimacy are among life's highest joys How we handle our sexuality is an ultimate challenge particularly in today's sexualised global culture Rob

Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today A Terrifying Grace explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today's hypersexualised culture

On the Voices, Contexts and Tasks of Theology: Experiments in Quaker and Feminist Thought Rachel Muers, 2025-10-16 Who is Christian theology for what is it for and what can it do Rachel Muers explores the voice of Christian theology the relationship between the subject of theology and theological discourse The book begins with the question how does someone speak of God understood not as a question about the criteria or authorised sources for theology but as a question of what is going on when theology is done How is it possible to speak as this particular historical embodied subject about God Muers investigates voice through engagement with historical and contemporary theologians particularly but not only with women who are speaking from relatively marginalised positions and contending with the lack of societal authorisation for their theological work Recognising that the question of voice is often equated in the contemporary context with the representation of identities and with how spaces and institutions can facilitate that representation the narrative considers more directly how questions of identity and context particularly in relation to gender shape the construction and representation of systematic theology and of theological tradition Muers examines the vocation of theology particularly in the contemporary Western academy and alongside other humanities subjects and a concluding chapter sets out a vision for ecumenical theological work The book draws extensively on the author's own Quaker tradition and on her experience of teaching and mentoring theologians

Karl Barth Christiane Tietz, 2021-03-25 From the beginning of his career Swiss theologian Karl Barth 1886-1969 was often in conflict with the spirit of his times While during the First World War German poets and philosophers became intoxicated by the experience of community and transcendence Barth fought against all attempts to locate the divine in culture or individual sentiment This freed him for a deep worldly engagement he was known as the red pastor was the primary author of the founding document of the Confessing Church the Barmen Theological Declaration and after 1945 protested the rearmament of the Federal Republic of Germany Christiane Tietz compellingly explores the interactions between Barth's personal and political biography and his theology Numerous newly available documents offer insight into the lesser known sides of Barth such as his long term three way relationship with his wife Nelly and his colleague Charlotte von Kirschbaum This is an evocative portrait of a theologian who described himself as God's
