The Yellow Wallpaper, the Complete Original Novella Charlotte Perkins Gilman, 2015-09-02 Many and many a reader has asked that When the story first came out in the New England Magazine about 1891 a Boston physician made protest in The Transcript Such a story ought not to be written he said it was enough to drive anyone mad to read it Another physician in Kansas I think wrote to say that it was the best description of incipient insanity he had ever seen and begging my pardon had I been there Now the story of the story is this

For many years I suffered from a severe and continuous nervous breakdown tending to melancholia and beyond During about the third year of this trouble I went in devout faith and some faint stir of hope to a noted specialist in nervous diseases the best known in the country This wise man put me to bed and applied the rest cure to which a still good physique responded so promptly that he concluded there was nothing much the matter with me and sent me home with solemn advice to live as domestic a life as far as possible to have but two hours intellectual life a day and never to touch pen brush or pencil again as long as I lived This was in 1887 I went home and obeyed those directions for some three months and came so near the borderline of utter mental ruin that I could see over Then using the remnants of intelligence that remained and helped by a wise friend I cast the noted specialist s advice to the winds and went to work again work the normal life of every human being work in which is joy and growth and service without which one is a pauper and a parasite ultimately recovering some measure of power Being naturally moved to rejoicing by this narrow escape I wrote *The Yellow Wallpaper* with its embellishments and additions to carry out the ideal I never had hallucinations or objections to my mural decorations and sent a copy to the physician who so nearly drove me mad He never acknowledged it The little book is valued by alienists and as a good specimen of one kind of literature It has to my knowledge saved one woman from a similar fate so terrifying her family that they let her out into normal activity and she recovered But the best result is this Many years later I was told that the great specialist had admitted to friends of his that he had altered his treatment of neurasthenia since reading *The Yellow Wallpaper* It was not intended to drive people crazy but to save people from being driven crazy and it worked
