*Understanding Alice McDermott* Margaret Hallissy,2020-01-27 Alice McDermott winner of the National Book Award American Book Award and Whiting Award and three time finalist for the Pulitzer Prize recently published her eighth novel *The Ninth Hour* to great critical and popular acclaim Her previous books including *Charming Billy* *At Weddings and Wakes* and *That Night* have been lauded as crowning achievements of Irish American fiction An Irish American Catholic born and raised in New York McDermott uses multiple identities and a distinctive nonchronological narrative style to create an unmistakable trademark She currently serves as the Richard A Macksey Professor of the Humanities at Johns Hopkins University *Understanding Alice McDermott* begins with a brief biography and transitions into a linear inquiry of McDermott s published works In addition to interrogating her recurring motifs of memory and heritage Margaret Hallissy tracks various themes that appear throughout the novels religion generational trauma geography family motherhood and displacement topics that intertwine and inform the mentality of McDermott s characters This volume deftly leads the reader through each of McDermott s novels seeking connections and facilitating conversations among her earliest and most recent works Hallissy

demonstrates a deep critical understanding of intersections in McDermott's canon. Her characters in some ways are beleaguered by society's perception of them: uneducated, lower middle class immigrants or children of immigrants, but are also positively defined by their collective dream of a lost homeland and the shared hardship of motherhood. By tracing the shifting themes and motifs through eight novels, uncollected short stories, and essays published during McDermott's fruitful career, *Understanding Alice McDermott* provides a window into the decades-long development of a contemporary master.
