J. Gregory Keyes

Charnel Prince:

The Charnel Prince J. Gregory Keyes, 2004 When the legendary Briar King awoke from his slumber a season of darkness and horror fell upon the Kingdom of Crotheny Now countless breeds of unspeakable monsters roam the countryside An epidemic of madness has transformed peaceful villagers from the wildlands into savage flesh eating fiends In Eslen King William has been murdered Queen Muriele is stalked by treachery on every side and their last surviving daughter Anne has fled the assassins bent on destroying her family Close on the heels of the runaway princess young knight Neil MeqVren the queen s one trusted ally is sworn to rescue Anne from her murderous pursuers Anne herself undertakes a perilous journey toward the sanctuary of her distant paramour s arms but along the way lie the sinister agents and hidden snares of a sprawling conspiracy that few might hope to evade At the same time spies in the service of Praifec Hespero the powerful Churchman embark upon a mission to destroy the Briar King in the heart of his domain And the power hungry Church spurred on by the mystical events has launched an inquisition whose repercussions threaten even the queen As the noose of intrigue tightens across the land personal fates and a kingdom s destiny alike will be decided in a conflict between virtue and malevolence might and magic Here then is Book II of The Kingdoms of Thorn and Bone intoxicating and harrowing passionate and grand it is Greg Keyes s most ambitiously imagined and vividly rendered work of epic fantasy From the Hardcover edition

The Charnel Prince J. Gregory Keyes, The queen of Crotheny finds her kingdom s defense against bloodthirsty forest dwelling creatures thwarted by a conspiracy within the church a situation that is complicated when Anne Dare the heir to the throne goes missing

The Briar King Greg Keyes, 2008-12-24 A wonderful tale It crackles with suspense and excitement from start to finish Terry Brooks Two thousand years ago the Born Queen defeated the Skasloi lords freeing humans from the bitter yoke of slavery But now monstrous creatures roam the land and destinies become inextricably entangled in a drama of power and seduction The king s woodsman a rebellious girl a young priest a roguish adventurer and a young man made suddenly into a knight all face malevolent forces that shake the foundations of the kingdom even as the Briar King legendary harbinger of death awakens from his slumber At the heart of this many layered tale is Anne Dare youngest daughter of the royal family upon whom the fate of her world may depend Praise for *The Briar King* Starts off with a bang spinning a snare of terse imagery and compelling characters that grips tightly and never lets up A graceful artful tale from a master storyteller Elizabeth Haydon bestselling author of *Prophecy Child of Earth* The characters in *The Briar King* absolutely brim with life Keyes hooked me from the first page and I ll now be eagerly anticipating sitting down with each future volume of the Kingdoms of Thorn and Bone series Charles de Lint award winning author of *Forests of the Heart* and *The Onion Girl* A thrill ride to the end with plenty of treachery revelation and even a few bombshell surprises Monroe News Star LA

The Blood Knight Greg Keyes, 2006-07-11 A sophisticated and intelligent high fantasy epic Publishers Weekly The legendary Briar King has awakened spreading madness and destruction across a land devastated by a royal family s fall

from power through treachery and dark magic Half remembered prophecies may point to the young princess Anne Dare rightful heir to the throne of Crotheny as the world's only hope But a mysterious assassin stalks her so skilled that even Anne's friend and protector Cazio cannot stand against him nor can her sworn defender the young knight Neil MeqVren Though Anne herself is the conduit of fearsome powers beyond her understanding and control it is time for girl to become woman princess to become queen Anne must stop running and instead march at the head of an army to take back her kingdom or die trying Praise for The Kingdoms of Thorn and Bone A graceful artful tale a snare of terse imagery and compelling characters that grips tightly and never lets up Elizabeth Haydon author of The Assassin King on The Briar King There is adventure and intrigue swordplay and dark sorcery aplenty Realms of Fantasy on The Charnel Prince **Folktales Retold** Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with Kingdoms of the Cursed Greg Keyes, 2019-06-04 Three young friends must navigate dangerous magical worlds and their own inner selves in this sweeping fantasy from Greg Keyes the sequel to The Reign of the Departed Errol Greyson is awake and back in his own body thanks to his friends Aster the witch and Veronica the half dead girl Unfortunately due to the attempted suicide that led to his months long coma and temporary reincarnation in Aster's wooden automaton in the first place he's also in a mental hospital But when the last person Errol expects breaks him out and forces him back to the magical Kingdoms he has no other option but to attempt to undo a deadly curse threatening reality itself in hopes of returning the realm to equilibrium It's dangerous business especially in Errol's merely human form weakened from months in bed Fearing for their friend's life Aster and Veronica follow but are quickly separated Aster is captured by an ancient evil the source of the curse while Veronica confronts a mysterious admirer her own evolving nature and the dark spirit that murdered her years earlier As vast armies collide and dragons take wing the friends must find each other and themselves again **Archaeological Survey of Ceylon, North-Central, Central and North-Western Provinces** Ceylon.
