The Messiah's Imminent Return DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Global Warning Tim F. LaHaye, Edward E. Hindson, 2007 Combines ancient Bible prophecies with current events to reveal the signs that serve as a global warning that predicts the end of the world

For Zion's Sake Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins

and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ. No one has contributed more to this cause than its leading architect and patron John Nelson Darby, an uncompromising champion for Christ's glory and God's truth. This groundbreaking book challenges decades of misrepresentation and scholarship, exploding the myth that Darby stole the doctrine of the pre-tribulation Rapture from his contemporaries. By revealing the man and his message, Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology.

What is Protestant Art? Andrew T. Coates, 2018-06-12. What is Protestant Art presents an introduction to Protestant visual culture from the Reformation to the present. Examining historical images as evidence of changing practices and attitudes, Andrew T. Coates explores three major themes in the history of Protestant visual culture: 1. the religious work of images, 2. the relationship between word and image, 3. the power of the Bible and its visual representation. The book analyses images such as prints, paintings, maps of the Holy Land, and Bible illustrations to demonstrate the broad range of images that could be classified as Protestant art. This work argues that the variety of images and visual practices throughout Protestant history might better be described by the term visual culture than art.
