Charting Your Spiritual Path With Astrology:

Charting Your Spiritual Path with Astrology Stephanie Jean Clement, 2001 Discusses how to discover the spiritual potential indicated in your astrological birth chart using a step by step method **Mapping Your Family Relationships** Stephanie Jean Clement, Cosmic Patterns, 2004 This book and CD package is an invaluable astrological tool for analyzing one's family unit objectively Now previous astrological knowledge a birth date and time is all that is required Mapping Your Birthchart Stephanie Clement, Stephanie Jean Clement, Cosmic Patterns, 2003 Mapping Your Birthchart removes the mystery from astrology so readers can look at any chart and get a basic understanding of the person behind it Learn the importance of the planets the different signs of the zodiac and how they relate to everyday life **Power of the Midheaven** Stephanie Jean Clement, 2001 The horoscope is a map of the heavens at any particular time usually at the birth of a person An important aspect to consider when creating charts is the Midheaven Before computers it was a vital computation in setting up horoscopes Curiously many astrologers ignore this point in their interpretations During over twenty five years as a professional astrologer Stephanie Jean Clement Ph D has emphasized that no point of a chart is unimportant She reveals what she has learned in *The Power of the Midheaven* Attention to the Midheaven can revolutionize your understanding of astrology If you are an astrologer you need the information in this book to make your readings more complete and to have a full understanding of a chart The Midheaven indicates what we know about ourselves The primary form of analysis is to examine the sign the Midheaven is in For example people with Leo Midheavens set their goals high and have the staying power to achieve them They want to rise to the top socially Jacqueline Kennedy is an example as is Grace Kelly They are self confident generous know they are fine leaders and have organizational capability but may not be able to admit their own shortcomings A Leo Midheaven is the master of control and free will and achieves spiritual enlightenment by knowing that the physical body is necessary Dr Clement points out that both Charlie Chaplin and Adolf Hitler have a Leo Midheaven they were born within days of each other She gives quotes showing how they used their wills to control people and both worked hard to eventually reach the top Obviously they were quite different people but the way they achieved their goals was similar Chaplin actually experienced his first movie making disappointment with *The Little Dictator* a film about Hitler This book covers the Midheaven through all the signs It also includes planets in aspect transits and much more If you are an astrologer or if you are at all interested in your horoscope you need this book Knack Astrology Molly Hall, 2010-01-19 Chock full of useful interpretations of signs planets in signs aspects and synastry it ensures that readers will come away with a sufficient understanding of astrological charts to begin creating their own **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents** Jeff Herman, 2003 A guide to the names and specialties of American and Canadian publishers editors and literary agents includes information on the acquisition process and on choosing literary agents **Charting Your Career** Stephanie Jean Clement, 1999 Getting a new job Thinking of changing positions To advance your career you might consider

an employment counselor Such a person tries to line you up with a job that fits your abilities talents and desires But can you really say you know all of your potential What amazing potentials or problems are in you subconscious Now you can find out in Stephanie Jean Clement s book *Charting Your Career* Dr Clement who holds a Ph D in transpersonal psychology has been a board member of the American Federation of Astrologers for almost a decade This combination allows her to present information that is not only clear for any astrologer but even for beginners or non astrologers Most astrologers know that it is the tenth house is focused on career But there is far more to a chart than that First the book examines your skills and talents which are indicated by the planets and the elements Then it looks at the fifth house which shows your wants and needs You ll also learn about how best you interact with others which is indicated by the relationships between the planets or aspects This is followed by an explanation of how the planets Saturn and Mars influence your career strengths and goals Only after you have all of this information does Dr Clement go into the importance of the tenth house and the important role it plays in determining your ideal career Also included is a discussion of the second and sixth houses working with heliocentric charts and much more Throughout the book you will find numerous charts to illustrate and clarify the information There are also examples from real life and sample consultation This is easily the most thorough book on astrological career counseling ever offered For people who are not experts it comes with an offer for a free birth chart so you can use this powerful book to get ahead in life *Astrology in Buddhism* Jhampa Shaneman, Jan V.
