Kibler, Leslie Zarker Morgan, 2006 Each book contains a CD featuring performances of the Song of Roland The Song of Roland is a well known hallmark of medieval French literature yet students often read only excerpts and receive general introductions to the poem and its context The challenges of teaching Roland include its age and subject matter its form and composition in Old French and its representation of Christians and Muslims This volume in the MLA series Approaches to Teaching World Literature aims to help nonspecialist instructors teach Roland more comprehensively and to offer seasoned

medievalists ways to invigorate their pedagogical tactics Part 1 Materials surveys available editions a wide range of secondary studies devoted to the poem and electronic aids to teaching Essays in part 2 Approaches elaborate on the poem s contexts avatars language techniques and characters and episodes describe the diverse classroom strategies that experienced instructors have implemented and review the voluminous critical canon about the poem The musical quality of the Song of Roland is vital for students to grasp A compact disc accompanying the volume showcases reconstructions of sung performances of the Song of Roland in Old French The examples offered here illuminate the rich quality of Roland s archaic language and demonstrate a few efforts to recover its lost music Paired with performances of Roland are melodies used as models for singing the poem Outsider Art Roger Cardinal,1972 A look at twenty nine artists who are outside culture unencumbered by all kinds of cultural social indeed psychological prejudices p 7 *Paris: The Collected Traveler* Barrie Kerper,2011-07-12 Each edition of this unique series marries a collection of previously published essays with detailed practical information creating a colorful and deeply absorbing pastiche of opinions and advice Each book is a valuable resource a compass of sorts pointing vacationers business travelers and readers in many directions Going abroad with a Collected Traveler edition is like being accompanied by a group of savvy and observant friends who are intimately familiar with your destination This edition on Paris features Distinguished writers such as Mavis Gallant Barbara Grizzuti Harrison Herbert Gold Olivier Bernier Richard Reeves Patricia Wells Catharine Reynolds and Gerald Asher who share seductive pieces about Parisian neighborhoods personalities the Luxembourg Gardens P re Lachaise and other monuments restaurants and wine bars le Plan de Paris and le Beaujolais Nouveau Annotated bibliographies for each section with recommendations for related readings An A Z renseignements pratiques practical information section covering everything from accommodations marches aux puces flea markets and money to telephones tipping and the VAT Whether it s your first trip or your tenth the Collected Traveler books are indispensable and meant to be the first volumes you turn to when planning your journeys

Complete Catalog of Books in All Fields Dover Publications, Inc,1997 *The Book of Mary* Nicola Slee,2009-03-01 Of all the women in the Bible writes Nicola Slee Mary has been for me the most ambivalent the most alien and yet at some level the most alluring I ve taken a long time to come to her or for her to come to me I grew up in a religious tradition low church Methodism in which Mary hardly featured other than in the nativity story Yet it is hardly possible to exist as an inhabitant of the western world with even half an eye open to the visual and cultural heritage of Christendom and not to have been in some way affected by this woman the woman of the Christian tradition With a collection of prayers and liturgical material focused around the figure of Mary and the themes of motherhood sisterhood and female faith this book projects a strong contemporary attitude It is clearly feminist affirming the significance of Mary in the faith journey of contemporary Christian and other women plus it challenges and critiques traditional stereotypes of Mary The author explores the sorrows of Mary her defiance and resistance sexuality sensuality aloneness independence and freedom companionship sisterhood

friendship ministry priesthood contemplation prayer and silence wisdom authority faith risk and daring **Follies of Europe** Caroline Holmes, 2008 As a genre the folly gave Europe a wonderful legacy of idiosyncratic sometimes experimental architecture Follies of Europe is a collection of photographs with accompanying text that illustrates the wealth and exuberance of follies ranging from the Baroque and Rococo through Art Nouveau to the present day Follies were built for pleasure with passion and self indulgence They reflect and celebrate the individuals who created them This book shows the dedication to detail that makes both the buildings and the personalities result in these unique art forms *The Cheapskate's Guide to Paris* Connie Emerson, 2001 When Connie Emerson's low budget guide to Paris was first published it quickly sold out This newly revised edition based on recent visits to the French capital proves that the term Paris bargain is not an oxymoron Though the City of Light has a deserved reputation for being one of the world's most expensive destinations it can be a cost cutter's delight Hotel rooms go for far less than established rack prices to people who take advantage of special promotions This also applies to airline reservations car rentals or even restaurants Charming and reasonably priced bistros dot every corner of this remarkable city Readers will find sound advice on shopping places of interest senior citizen discounts and places to entertain children many free Also included is a guide to the best and most effective routes for the Metro or the bus This invaluable resource shows thrifty travelers how to get the best value for their francs *Lives That Made a Difference* P J Clarke, 2012-04-01 Written by an experienced teacher of religious and moral education Lives That Made A Difference offers a unique survey of outstanding Christians who have distinguished themselves for their commitment to the values and ideals that have helped shape Western Civilization ranging from the self sacrifice of the martyr to the various forms of social and moral commitment shown by key individuals in the pursuit of a more just and enlightened world Thus while the book draws mainly from the Christian tradition it has a more universal significance Its focus on how certain individuals have struggled in their different ways towards the creation of a more just and humane world makes it of immediate relevance to students and readers of all religious persuasions and none The book is in two parts featuring outstanding individuals drawn from both the ancient and modern worlds Common to both parts is the way religious faith has provided the springboard for the pursuit of the great human and moral ideals of goodness truth and justice Examples range from the contributions of the great philosophers and theologians the influential impact of religious leaders the humanitarian work of the great founders including international charities to the examples of victimization and courage of the modern martyrs whose protest against injustice cruelty and inhumanity stand as a continuing inspiration as well as rebuke to a world still a long way short of the ideals they stood for the attainment of justice goodness truth and equality among peoples An interesting feature of the book is the space given to those who have dealt with life's questions ranging from the theologians and philosophers whose search for life's answers was intense and profound to the writers and novelists who dealt with these questions in a less systematic way by showing the ups and downs the successes and failures the doubts and uncertainties of

life as it is lived in the actual world either under the influence of religious faith or its abandonment Feedback from the printed version has confirmed the book's popularity among teachers priests ministers and youth leaders as well as those looking for examples of spiritual inspiration as a basis of private reflection The book is proving highly useful in schools both as a classroom resource and for assemblies and among priests and ministers as a source of material for talks and sermons Overall it is a unique educational resource in the field of human inspiration
