Chasing Danforth A Wilderness Calling:

Chasing Danforth Robert W. Cook,2005 *Fannie Hardy Eckstorm and Her Quest for Local Knowledge, 1865-1946* Pauleena M. MacDougall,2013-07-19 Eckstorm was the daughter of a fur trader living in Maine who published six books and many articles on natural history woods culture and Indian language and lore A writer from Maine with a national readership Eckstorm drew on her unique relationship with both Maine woodsmen and Maine s Native Americans that grew out of the time she spent in the woods with her father She developed a complex system of work largely based on oral tradition recording and interpreting local knowledge about animal behavior and hunting practices boat handling ballad singing Native American languages crafts and storytelling Her work has formed the foundation for much scholarship in New England folklore and history and clearly illustrates the importance of indigenous and folk knowledge to scholarship Fannie Hardy Eckstorm and Her Quest for Local Knowledge 1865 1946 reveals an important story which speaks directly to contemporary issues as historians of science social science and humanities begin to re evaluate the nature content and role of indigenous and folk knowledge systems Eckstorm s life and work illustrate the constant tension between local lay knowledge and the more privileged scientific production of academics that increasingly dominated the field from the early twentieth century At the time Eckstorm was writing the growth in professionalism and eclipse of the amateur led to a reorganization of knowledge As increasing specialization defined the academy indigenous knowledge systems were dismissed as unscientific and born of ignorance Eckstorm recognized and lauded the innate value of traditional knowledge that could for example fell trees in the interior of Maine and ship them internationally as finished lumber *Classic Deer Camps* Robert Wagner,2008-07-21 *Classic Deer Camps* is a trip through time back to the core of America s deer hunting heritage In this unique book you will revisit 19th century deer camps through a spectacular collection of writings historical biography of famous deer camps and nostalgic artwork plus you ll rediscover the freedom solitude and camaraderie of this shared rite of passage Short of providing the faint smell of beans and backstraps cooking on the fire this book brings you to the heart and soul of this American institution *Herbert L. Welch* Graydon Hilyard,Leslie Hilyard,2018-12-15 Herb Welch the inventor of the still popular streamer pattern the Black Ghost is Maine s first and only celebrity guide to gain international status With over 200 images including archival black and white and color images by photographer John Swan this book documents the incredible life and work of a man that excelled in art sculpture taxidermy he was the premiere fish taxidermist of his day demonstration fly casting at major North American venues and guiding In addition the Hilyards include never before published streamer patterns from the Rangeley region including nine named streamers originated adapted and tied by Herbert Welch as well as ten newly identified streamers originated and tied by Carrie Stevens including her only known early wet fly pattern
