Chasing The Devil My Twenty Year Quest To Capture The Green River Killer:

Chasing the Devil David Reichert, 2005-12-27 Discusses the twenty year pursuit of Sheriff David Reichert for the Green River Killer **Chasing the Devil** David Reichert, 2005-12-27 It began with the discovery of three women's bodies found near suburban Seattle's Green River in August 1982. Soon more corpses and human remains would be found some as far as Oregon. They were teenage runaways or other women whose anonymous lifestyles had made them easy vulnerable targets and they were all the victims of a faceless murderer whose rampage would span two decades and take as many as forty nine lives. No other serial killer in the nation's history had killed so many people. For twenty long years Sheriff David Reichert played a cat and mouse game with the Green River killer who managed to stay one step ahead of Reichert the local authorities and even the FBI. But Reichert had no doubt in his mind that he was going to find the Green River killer no matter how long it took. That day came in 2001 when DNA evidence linked fifty two year old truck painter Gary Ridgway to three of the murder victims. The long nightmare was finally over for Reichert and the families of the murder victims. With startling insider disclosures and the fascinating forensic details of the relentless manhunt itself Chasing the Devil exposes the heart of true evil and reveals the dauntless efforts behind one man's quest to chase it. Chasing the Devil Sheriff David Reichert, 2004-07-28 CHASING THE DEVIL is the gripping firsthand account of Sheriff David Reichert's relentless pursuit of the Green River Killer a 21 year odyssey full of near misses and startling revelations. For eight years Sheriff David Reichert devoted his days and nights to capturing the Green River Killer. He was the first detective on the case in 1982 doggedly pursuing clues as the body count climbed to 49 and it became the most infamous unsolved case in the nation. Frantically following all of his leads Sheriff Reichert befriended the victims families publicly challenged the killer and risked his own safety and the endurance and love of his family before he found his madman. But Reichert's hunt didn't end when he finally cornered a truck painter named Gary Ridgway. It would be yet another 11 haunting years before forensic science could prove Ridgway's guilt beyond a shadow of a doubt. Told in vivid detail by the man who knows the whole story this is a real life suspense story of unparalleled heroism. **Sex Working and the Bible** Avaren Ipsen, 2014-12-18 The Bible contains many stories of prostitution. Feminist and liberation readings of these biblical narratives have often made sex workers invisible. Sex Working and the Bible examines stories of biblical prostitution through the experiences and understanding of sex workers today. The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework. This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible. *Wanted Undead Or Alive* Jonathan Maberry, Janice Gable Bashman, 2010 An indispensable guide identifying and describing mankind's enemies supernatural beasts ghosts vampires serial killers etc and unearthing effective time proven responses to each horrific threat. *Serial Killers* Tomas Guillen, 2007 Of crime privacy victimology

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Green River, Running Red** Ann Rule, 2004-10-31

In the most extraordinary book Ann Rule has ever undertaken America's master of true crime has spent more than two decades researching the story of the Green River Killer who murdered more than forty-nine young women The quest to discover the most prolific serial killer in American history has been an intimate part of Ann Rule's life with some of the corpses found only a mile or so from where she lived and raised her own daughters She did not know the killer but he apparently knew her and attended many of her book signings For twenty-one years the killer carried out his self-described career as a killing machine ridding the world of women he considered evil His eerie ability to lure his victims to their deaths

and hide their bodies made him far more dangerous than any infamous multiple murderer in the annals of crime. A few men including a law student, a truck painter, and a taxi driver eventually emerged as the prime suspects among an unprecedented forty thousand scrutinized by the Green River Task Force. Still, there was no physical evidence linking any of them to the murders until 2001 when investigators used a new DNA process on a saliva sample they had preserved since 1987 with stunning results. Ann Rule has followed the case since July 1982 when the first body, that of teenager Wendy Lee Coffield, was found in the Green River, snagged on pilings under a bridge. Rule has compiled voluminous files, working through an incredible 95,000 pages of official police records, transcripts, photographs, and maps, winnowing out the chaff and identifying what is truly important. Over the years, she gained unparalleled access to all the key players, from King County Sheriff Dave Reichert to those close to the killer and his victims. When finally apprehended and convicted, the killer made a detailed confession of his twisted sexual obsessions that will shock even the most jaded reader. *Green River, Running Red* is a harrowing account of a modern monster, a killer who walked among us undetected. It is also the story of his quarry, of who these young girls were and who they might have become. A chilling look at the darkest side of human nature, this is the most important and most personal book of Ann Rule's long career. [Chasing the Green River Killer](#) Cary S. Martin, 2025-10-28

For eight relentless years, Sheriff David Reichert chased a ghost along the misty banks of Washington's Green River. What began as a single body in the current grew into one of the most chilling manhunts in American history: forty-nine women gone, a city terrified, and a killer who seemed to vanish into the fog. *Chasing the Green River Killer: The True Crime Story of Sheriff Reichert's Pursuit* takes readers deep inside the investigation that tested every limit of faith, science, and humanity. From the first gruesome discoveries in 1982 to the revolutionary DNA breakthroughs two decades later, Reichert's obsession became a life's mission. This is not the story of a monster; it's the story of the man who refused to let him win. Through exhaustion, heartbreak, and years of silence, Reichert fought to give names back to the forgotten and justice to the lost. Told with vivid realism and haunting emotion, this book reconstructs how the case transformed modern forensics and scarred one detective's soul. The result is a portrait of justice born not from triumph but from persistence. Inside, you'll discover the chilling early days of the Green River murders and how they paralyzed Seattle. Sheriff Reichert's personal sacrifices and moral battles, as the body count climbed. The evolution of forensic science that finally gave victims their voice. The shocking confession of Gary Leon Ridgway and the ethical dilemma that redefined American justice. A legacy that changed policing and proved that evil can be patient but so can truth. The most haunting part of justice isn't catching the killer; it's learning how to live after you do.

The Riverman Robert Keppel, 2010-06-15 After a search of over twenty years, one of America's most elusive serial killers was finally apprehended. Now read the true story of one man's attempt to get inside the mind of the Green River Killer. July 15, 1982: a woman's strangled body was found, caught on the pilings of Washington state's Green River. Before long, the Green River Killer would be suspected in at least forty-nine more homicides, with no end in sight. Then the authorities received an

unbelievable letter from the infamous serial killer Ted Bundy then on Florida's death row offering to help catch the Green River Killer But he would only talk to one man Robert Keppel the former homicide detective who had helped track Bundy's cross county killing spree Now these conversations are revealed in which Bundy speculates about the motive and methods of the Green River Killer and reveals his own twisted secrets as well Now as never before we look into the face of evil and into the heart of a killer
