## **Chasing The Easter Star Adventures In Biblical Reader Response Criticism:**

Chasing the Eastern Star Mark Allan Powell, 2001-01-01 Argues for a method of biblical interpretation that allows for multiple legitimate meanings providing examples from popular literature and movies while considering in length the story of the Magi and the impact of Scripture on human truth Original **The Invention of the Biblical Scholar** Stephen D. Moore, Yvonne Sherwood, In this tale of two disciplines Stephen D Moore and Yvonne Sherwood invite the reader into a paradox just as the wider field of literary studies has now come to operate after theory biblical scholars continue their long search for an elusive Holy Grail a definitive literary critical theory Understanding that paradox requires revisiting the peculiar history by which the curious figure of the biblical scholar was invented during the Enlightenment and how contemporary biblical scholarship continues however unwittingly to pursue Enlightenment goals *Narrative Criticism of the New Testament* James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible *Fortress Introduction to the Gospels, Second Edition* Mark Allan Powell, 2019-10-01 With clarity and verve Mark Allen Powell introduces the beginning student to the contents and structure of the Gospels their distinctive characteristics and their major themes An introductory chapter surveys the political religious and social world of the Gospels methods of approaching early Christian texts the genre of the Gospels and the religious character of these writings This second edition has been updated to take fuller account of different theories regarding the Gospels with new chapters on the historical Jesus and on gospel literature not included in our New Testament and with a pleasing new format Special features include illustrations and more than two dozen special topics *Incorporated Servanthood* Ben Cooper, 2014-03-27 In this volume Ben Cooper analyses how commitment to God is described within the Gospel of Matthew how this is related to becoming a disciple of Jesus and how reading or hearing the Gospel works to evoke such a response The analysis draws upon a variety of approaches in linguistics and literary studies in a new way to characterise the communicative equilibrium between the author and the subset of readers who process the text compliantly Cooper argues that Matthew's Gospel evokes in its compliant readers a particular kind of theocentric commitment which he calls incorporated Servanthood Such readers become persuaded that Jesus came to bring forgiveness of sins to the people of God and then to take this salvation out to the nations a program that can be associated with Isaiah's Servant of the Lord Compliant readers are humbled so they can be served by the Servant for the forgiveness of their sins

They are then incorporated into his program for the nations to join in the task of incorporating others **Jesus and the Gospels, Third Edition** Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth **Numbers: An Introduction and Study Guide** Eryl W. Davies, 2017-01-12 Davies outlines the composition and date of Numbers and the various attempts that have been made to establish a coherent and meaningful structure in its arrangement Davies also shows how the application of reader response criticism feminist criticism and postcolonial criticism have contributed to our understanding of selected passages in the book Addressing theological issues Davies considers three themes that occupy much of the content of Numbers namely land purity and holiness and rebellion The concluding chapter considers the contentious issue of the historicity of the book of Numbers in the light of recent discussions concerning the historical value of the Old Testament Davies shows how some of the issues Numbers raises war disease survival hunger race relations are among the perennial problems faced by nations across the centuries and across cultures While individual passages within Numbers may reflect a questionable sense of morality Davies demonstrates that the book when viewed in its totality encompasses a number of important theological themes which recur throughout the Old Testament the interplay of forgiveness and judgment and of sin and punishment and the need to trust in the power of God rather than human might **How Interpretation Becomes Truth** Alena Amato Ruggerio, 2003 **Elenchus of Biblica** Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l'Eglise marque un evenement c'est la premiere fois dans l'histoire de l'Eglise qu'une assemblee de la Sainte Eglise s'exprime solennellement sur la vie consacree Le sixieme chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystere de l'Eglise peuple de Dieu Ce texte conciliaire presente la vie religieuse comme un etat canonique celui du chretien qui tend dans un institut de perfection a la charite parfaite et consacre sa vie a Dieu et aux hommes ppar la profession des conseils evangeliques de chastete pauvreté et obeissance De toute evidence cette declaration doctrinale est importante pour l'Eglise et pour le developpement de la vie consacree dans l'Eglise En lisant Lumen Gentium on est assez vite frappe par le debut abrupt du sixieme chapitre sur les religieux car tous les autres chapitres s'ouvrent par une breve introduction Cepedant on ne peut deracher ce chapitre de ce qui a ete dit precedemment sur la vocation universelle a la saintete En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres **Bible Review**, 2001 *Remembering Our Future* Andrew Walker, Luke Bretherton, 2007 How the issues of the past affect the future of Deep Church a concept conceived by C S Lewis Orthodox Catholic and Protestant traditions drink from the well of a common tradition rooted in the early Church Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today Remembering the past is essential for facing the future In *Remembering Our Future* leaders and theologians reflect on a range of issues for which a vibrant contemporary faith

requires a careful listening to the past What is the place of tradition in the Church's life How should we interpret the Bible How should we worship What in other words might Deep Church look like *Poetics for the Gospels?* Petri Merenlahti, 2002 Poetics is the study of the making of literary works of art In gospel studies in contrast to the dominant historical critical paradigm poetics regard the gospels as literature This approach is associated with a particular methodological movement narrative criticism Petri Merenlahti argues that poetics offer a vital critical tool to interpreters of the gospels But the approach must necessarily be historical recognising that perceptions of literary form and value are not fixed but evolve and develop from one time and culture to another Far from being neutral these perceptions are integrally connected with ways of perceiving reality that reflect particular interests in human societies Through methodological discussion and detailed analyses of gospel narratives this book introduces a comprehensive programme of historical poetics for gospel studies

**Heythrop Journal**, 2001 A select book list appears quarterly *Painting the Text* Martin O'Kane, 2007 In this masterly work Martin O Kane shows artists at work as readers of the Bible and not simply as illustrators of biblical scenes The painter's eye commonly sees nuances and subtleties of plot and characterization in the biblical text that traditional biblical criticism has overlooked Focussing in fine detail on some well known biblical themes the deception of Isaac the depiction of Isaiah's suffering servant the visit of the Magi and the flight into Egypt among others O Kane argues that modern readers need the artist's exegetical insight and engagement to appreciate the text fully Ranging widely over mediaeval Renaissance and modern art the author situates his work within the hermeneutical aesthetics of Hans Georg Gadamer Mieke Bal and Paolo Berdini Some 30 images are reproduced in the text **Quaker Religious Thought**, 2000 **International Bibliography**

**of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences**, 2001 *New Testament, History of Interpretation* John Haralson Hayes, 2004 A collection of scholarly articles originally published in the Dictionary of Biblical Interpretation about the interpretation of the individual New Testament books Also included as an appendix are the articles from the Dictionary of Biblical Interpretation about the Biblical Apocrypha and pseudepigrapha The articles have been lightly edited and the bibliographies updated Each article concisely covers the history of interpretation of each New Testament book Stands on the shoulders of previous interpreters of the Scriptures Useful for term papers classroom study Useful in the research and understanding of historical trends in Biblical interpretation The articles on the Apocrypha and pseudepigraph are included in two appendices **American Book Publishing Record**, 2002
