Chasing The Shadows:

Chasing Shadows Lynne Pickavance, Piers Harper, 2002 Chasing Shadows Lynn Austin, 2021-06-08 For fans of bestselling WWII fiction comes a powerful novel from Lynn Austin about three women whose lives are instantly changed when the Nazis invade the neutral Netherlands forcing each into a complicated dance of choice and consequence. Lena is a wife and mother who farms alongside her husband in the tranquil countryside. Her faith has always been her compass but can she remain steadfast when the questions grow increasingly complex and the answers could mean the difference between life and death? Lena's daughter Ans has recently moved to the bustling city of Leiden filled with romantic notions of a new job and a young Dutch police officer. But when she is drawn into Resistance work, her idealism collides with the dangerous reality that comes with fighting the enemy. Miriam is a young Jewish violinist who immigrated for the safety she thought Holland would offer. She finds love in her new country but as her family settles in Leiden, the events that follow will test them in ways she could never have imagined. The Nazi invasion propels these women onto paths that cross in unexpected, sometimes heartbreaking ways. Yet the story that unfolds illuminates the surprising endurance of the human spirit and the power of faith and love to carry us through.

Chasing Shadows Ronald J. Deibert, 2025-02-04 In this real-life espionage thriller, cyber security expert Ronald Deibert uncovers the unseemly marketplace for high-tech surveillance, professional disinformation, and computerized malfeasance and reveals how his team of digital sleuths at the Citizen Lab have lifted the lid on dozens of spy cases targeting innocent citizens around the world. He recounts how the Lab exposed the world's pre-eminent cyber mercenary firm, Israel-based NSO Group, the creators of the phone-hacking marvel Pegasus, in a series of human rights abuses from domestic spying scandals in Spain, Poland, Hungary, and Greece to its implication in the murder of Washington Post journalist Jamal Khashoggi in 2018. Today NSO Group, once valued at over a billion dollars, faces plummeting worth and an

irretrievably tarnished reputation Chasing Shadows provides a front row seat to a dark underworld of digital espionage sabotage and subversion where autocrats and dictators peer into their targets lives with the mere press of a button spreading their tentacles of authoritarianism through a digital ecosystem that is insecure invasive by design poorly regulated and prone to abuse The brave activists opposition figures and journalists who dare to advocate for basic political rights and freedoms are hounded arrested tortured and sometimes murdered

Chasing Shadows Dorraine Fisher,2019-09-29 Do you consider yourself emotionally or mentally broken Our persistent negativity and turmoil from past emotional trauma can often make us feel that way All these issues of a lifetime grow inside us like an infection and fester in any number of destructive ways that can block the amazing life we were meant to live And in order to fix this we re often told to just think positive But those of us who deal with deep core issues know that simply thinking positive doesn t always work It only covers up those negative issues that return to plague us again and again stealing our chances at real happiness real fulfillment and real joy and peace But what if there s a spiritual technique that could directly address these issues inside you right where they live and transmute them or completely remove them from your being Would you be willing to try it Shadow work is such a technique It integrates your past with your present reality and literally repairs your broken pieces so that you may be whole again But it s not for the faint of heart It requires you to go inside yourself and face your own soul something that many of us are too afraid to do But if you knew that in order to feel better for the rest of your life you needed to go back and revisit these deep dark and often frightening aspects of your soul known as your shadows one last time would you be willing to make that journey Chasing Shadows is a comprehensive journal that can guide you through this mysterious but surreal process that will take you on that amazing journey of self discovery and healing And it will change you forever into a better more peaceful version of yourself that you never knew existed
