Mom, God's Got This: Jamie's Story Karen Norton,2017-06-21 My thirteen year old daughter walked into the living room and sat down beside me on the sofa She was crying Momma I think God has called me to preach I had a dream and I saw a sea of people with black hair There were so many people crowded together and they don t know who Jesus is I invite you to step into the very private heart of a mother and her daughter This is Jamie s story a story of courage and obedience faith and doubt heartbreak and disappointment inner struggles and victories A young East Texas girl who followed God s call to the other side of the world Jamie loved the lost and those who have never heard the good news of Jesus Christ Then why did she have to die Through it all I have learned His grace is always sufficient and He is faithful to His Word While in our home the last ten weeks of her life we walked with her through that valley of the shadow of death It was the most difficult and at the same time the most blessed time for we saw God transition her from this life into everlasting life with Him What a precious hope we have in Jesus Not only that the Lord has also walked with me through this grief journey transforming my sorrow into joy The Chatterbox ,1889 Wild with All Regrets E.L. Deards,2025-07-30 A decade has passed since Lucas Connolly lost his best friend and the only man he s ever loved in World War I but he still can t shake his guilt over Jamie s death In fact ever since losing Jamie Lucas has heard his friend s voice inside his head confused about what happened to him begging him for help And now suddenly it s not just Jamie s voice anymore now a specter who looks and acts exactly like Jamie did before his death and who is demanding answers from Lucas about what happened to him has begun to haunt him Concerned about Lucas s deteriorating mental state his friend Angela encourages him to move on with his life and even sets

him up with a coworker whom she suspects is also gay But Lucas is too consumed with the secret he still keeps about the part he played in Jamie s death to even begin to form a healthy connection with someone new and as Jamie s ghost begins to recover his memories and get closer to the truth Lucas s obsession only deepens Ultimately Lucas realizes that his only path forward is to first go backward that only in examining his troubled youth facing his deepest self and shining a light on the shadowed parts of his past will he finally be able to set his old friend and himself free
