Chaucer Traditions Studies In Honour Of Derek Brewer

John J. McGavin

Chaucer Traditions Studies In Honour Of Derek Brewer:

Chaucer Traditions Ruth Morse, Barry Windeatt, 2006-11-02 An important collection of essays which will be of interest to teachers and students of Chaucer Chaucer Traditions Ruth Morse, Barry Windeatt, 1990-08-16 Chaucer was perceived as the father of English poetry and his works gave rise to a diversity of traditions of both creative response and critical commentary to subsequent Chaucerian authors and to a body of comment about his writings This book is the first to describe Chaucer's literary influence across a wide range of writers and periods It takes as its theme the variety of responses to Chaucer or Chaucer Traditions and addresses topics of special interest arising from the effects Chaucer's work had on subsequent writers in the three centuries leading up to Dryden Each essay focuses on a certain writer or literary tradition discussing these in the context of Chaucer's work and its influence The result is an important collection of essays which will be of interest to all teachers and students of Chaucer as well as to scholars of poetry in later periods Chaucer Tradition Ruth Morse, Barry Windeatt, 1990 **The Oxford History of Poetry in English** Julia Boffey, Anthony Stockwell Garfield Edwards, 2023 This volume explores a range of English verse from 1400 to 1500 It studies specific genres and modes of fifteenth century verse the contexts for its creation the material forms of its transmission and some of its individual practitioners Performing Manuscript Culture Elisabeth Kempf, 2016-12-19 This study conceives of Thomas Hoccleve's Regement of Princes 1410 1413 as an essentially performative text one that expresses its awareness of the manuscript culture in which it is so firmly rooted The openness of manuscripts is a recurring subject in the Regement and is not only expressed through mere descriptions of but through complex references to this manuscript context Performances of manuscript culture manifest themselves in several aspects of the text The first is the narrator persona and especially the question of how persona and text are intertwined The second is the constantly recurring interpretation of quotes from authoritative sources that pervades the Regement This urge to interpret is expressed both in the tradition of adding marginal glosses and in the process of subjecting the text to an exegetical reading The third aspect is the relation between text and images in the Regement's manuscripts which shows how mediality is performed and how the manuscript context is made the focus of this performance In this monograph all of these aspects are studied in a mindset that combines the concept of performativity with the postulations of Material Philology **Chaucer and Dissimilarity** John J. McGavin, 2000 It looks out in a groundbreaking study to the use of similes in other late medieval poems BOOK JACKET Chaucer and His Readers Seth Lerer, 2020-10-06 Challenging the view that the fifteenth century was the Drab Age of English literary history Seth Lerer seeks to recover the late medieval literary system that defined the canon of Chaucer's work and the canonical approaches to its understanding Lerer shows how the poets scribes and printers of the period constructed Chaucer as the poet laureate and father of English verse Chaucer appears throughout the fifteenth century as an adviser to kings and master of technique and Lerer reveals the patterns of subjection childishness and inability that characterize the stance of Chaucer's

imitators and his readers In figures from the Canterbury Tales such as the abused Clerk the boyish Squire and the infantilized narrator of the Tale of Sir Thopas in the excuse ridden narrator of Troilus and Criseyde and in Chaucer's cursed Adam Sciveyn the poet's inheritors found their oppressed personae Through close readings of poetry from Lydgate to Skelton detailed analysis of manuscript anthologies and early printed books and inquiries into the political environments and the social contexts of bookmaking Lerer charts the construction of a Chaucer unassailable in rhetorical prowess and political sanction a Chaucer aureate and laureate

Chaucer's Narrative Voice in The Knight's Tale Ebbe Klitgård, 1995 The first specialised study of narrative voice in The Knights Tale

Twentieth-Century Chaucer Criticism Kathy Cawsey, 2016-02-17 Shifting ideas about Geoffrey Chaucer's audience have produced radically different readings of Chaucer's work over the course of the past century Kathy Cawsey in her book on the changing relationship among Chaucer critics and theories of audience draws on Michel Foucault's concept of the author function to propose the idea of an audience function which shows the ways critics' concepts of audience affect and condition their criticism Focusing on six trend setting Chaucerian scholars Cawsey identifies the assumptions about Chaucer's audience underpinning each critic's work arguing these ideas best explain the diversity of interpretation in Chaucer criticism Further Cawsey suggests few studies of Chaucer's own understanding of audience have been done in part because Chaucer criticism has been conditioned by scholars' latent suppositions about Chaucer's own audience In making sense of the confusing and conflicting mass of modern Chaucer criticism Cawsey also provides insights into the development of twentieth century literary criticism and theory

Studies in the Age of Chaucer David Matthews, 2011-01-17 *Studies in the Age of Chaucer* is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200-1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications

Amoryus and Cleopes John Metham, 1999-03-01 In this volume John Metham's classic romance *Amoryus and Cleopes* is made available to a wider audience of students and teachers of Middle English with its contextualizing introduction extensive notes and helpful gloss This fifteenth century romance written by John Metham creatively reworks Ovid's tale of Pyramus and Thisbe's tragic love from his *Metamorphoses* Metham draws on a wide variety of popular romances and particularly Chaucer's Ovidian works to create an inventive romance of his own with a decidedly moral aim This volume will be of interest to students of Middle English romance and all those interested in the literary legacy of Chaucer

Medieval Book and a Modern Collector: Essays in Honour of Toshiyuki Takamiya. Toshiyuki Takamiya, 2004-12
