Chaucer And The Art Of Storytelling:

Chaucer and the Art of Storytelling Leonard Michael Koff, 2023-04-28 Uncover the intricate artistry behind Geoffrey Chaucer's storytelling in this compelling study that redefines our understanding of his narratives and their profound social and moral dimensions. This book offers a fresh perspective on Chaucer's role as a storyteller, emphasizing his dedication to the collective wisdom of olden books and the communal experience of reading. Through a blend of historical and theoretical exploration alongside close readings of *The Canterbury Tales*, it reveals how Chaucer's narratives create a shared space for reflection, blending medieval traditions with universal themes. By exploring concepts like parabolic listening and the moral implications of storytelling, the book connects Chaucer's tales to their historical roots while showcasing their enduring relevance. Challenging long-held assumptions, *Chaucer and the Art of Storytelling* argues that Chaucer's works are not cryptic puzzles but accessible narratives designed to inspire collective understanding and individual self-awareness. Through in-depth analyses of tales like *The Merchant's Tale*, *The Wife of Bath's Tale*, and *The Parson's Tale*, the book illustrates Chaucer's ability to balance humor, morality, and social commentary. A must-read for anyone interested in medieval literature, this study illuminates Chaucer's narratives as living texts that connect readers across time, offering both historical insight and a celebration of the timeless art of storytelling. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1988.

Includes music

Social Chaucer Paul Strohm, 1989 This text analyzes the effect of Chaucer's poetry on his contemporary readers, examining how he and his audience understood their society and how this is reflected in the works. This book provides a fuller understanding of Chaucer's world and the social implications of literary styles and form.

Envoi, 1990

Who is Buried in Chaucer's Tomb? Joseph A. Dane, 1998-05-31 Joseph A Dane examines the history of the books we now know as Chaucer's a history that includes printers and publishers editors antiquarians librarians and book collectors The Chaucer at issue here is not a medieval poet securely bound within his fourteenth century context but rather the product of the often chaotic history of the physical books that have been produced and marketed in his name This history involves a series of myths about Chaucer a reformist Chaucer a realist Chaucer a political and critical Chaucer who seems oddly like us It also involves more self reflective critical myths the conveniently coherent editorial tradition that leads progressively to modern editions of Chaucer Dane argues that the material background of these myths remains irreducibly and often amusingly recalcitrant The great Chaucer monuments his editions his book and even his tomb defy our efforts to stabilize them with our critical descriptions and transcriptions Part I concentrates on the production and reception of the Chaucerian book from the sixteenth to the eighteenth centuries a period dominated by the folio Complete Works and a period that culminates in what Chaucerians have consistently if uncritically defined as the worst Chaucer edition of 1721 Part II considers the increasing ambivalence of modern editors and critics in relation to the book of Chaucer and the various attempts of modern scholars to provide alternative sources of authority Harper's Magazine ,1895 Important American periodical dating back to 1850 **Harper's New Monthly Magazine** ,1895 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1877 **History of English Literature: Wyclif, Chaucer, earliest drama, renaissance, tr. by W.C. Robinson** Bernhard ten Brink,1901 History of English Literature: Wyclif, Chaucer, earliest drama, renaissance, tr. by W. C. Robinson Bernhard Aegidius Konrad ten Brink,1901
