Chavan And The Troubled Decade:

Chavan and the Troubled Decade T. V. Kunhi Krishnan, 1971 *Chavan and the Troubled Decade* Taramal Vanmeri Kunhi Krishnan, 1973 **Fateful Triangle** Tanvi Madan, 2020-02-04 Taking a long view of the three party relationship and its future prospects In this Asian century scholars officials and journalists are increasingly focused on the fate of the rivalry between China and India They see the U S relationships with the two Asian giants as now intertwined after having followed separate paths during the Cold War In *Fateful Triangle* Tanvi Madan argues that China's influence on the U S India relationship is neither a recent nor a momentary phenomenon Drawing on documents from India and the United States she shows that American and Indian perceptions of and policy toward China significantly shaped U S India relations in three crucial decades from 1949 to 1979 *Fateful Triangle* updates our understanding of the diplomatic history of U S India relations highlighting China's central role in it reassesses the origins and practice of Indian foreign policy and nonalignment and provides historical context for the interactions between the three countries Madan's assessment of this formative period in the triangular relationship is of more than historic interest A key question today is whether the United States and India can or should develop ever closer ties as a way of countering China's desire to be the dominant power in the broader Asian region *Fateful Triangle* argues that history shows such a partnership is neither inevitable nor impossible A desire to offset China brought the two countries closer together in the past and could do so again A look to history however also shows that shared perceptions of an external threat from China are necessary but insufficient to bring India and the United States into a close and sustained alignment that requires agreement on the nature and urgency of the threat as well as how to approach the threat strategically economically and ideologically With its long view *Fateful Triangle* offers insights for both present and future policymakers as they tackle a fateful and evolving triangle that has regional and global implications *Dethroned* John Zubrzycki, 2025-05-22 The dramatic true story of the betrayal of hundreds of Indian princely states by both the departing British and the new Congress government In July 1947 India's last Viceroy Lord Louis Mountbatten stood before New Delhi's Chamber of Princes to deliver the most important speech of his career He had just three weeks to convince over 550 sovereign princely states some tiny some the size of Britain to become part of a free India Once Britain's most faithful allies the princes could choose between joining India or Pakistan or declaring independence This is a saga of intrigue brinkmanship and broken promises wrought by Mountbatten and two of independent India's founding fathers the country's most senior civil servant V P Menon and Congress strongman Vallabhbhai Patel What India's architects described as a bloodless revolution was anything but as violence engulfed Kashmir and Indian troops crushed Hyderabad's dreams of independence Most princes accepted the inevitable exchanging their power for guarantees of privileges and titles in perpetuity But these dynasties were still led to extinction not by the sword but by political expediency leaving them with little more than fading memories of a glorified past **Dr. Ambedkar's Foreign Policy and Its Relevance** Vijay Bapurao

Gaikwad,1999 *The Journal of Asian Studies* ,1973 **My True Faces** Chaman Lal Nahal,1973 *Sex Life Under Indian Rulers* Rajaram Narayan Saletore,1974 She and He Sasthi Brata,1973 **The Vultures** Vijay Tendulkar,1974 Rain Through the Night Buddhadeva Bose,1973 **Studies in Indian Federalism** Pradeep Kumar,1988 **The Lalru Murders** Edward Nirmal Mangat Rai,1973 **Indian Book Industry** ,1973 **Contemporary Authors** Frances C. Locher,1976-09 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors **The Indian Publisher and Bookseller** ,1973 Indian Political Parties: Programmes, Promises, and Performances Laxmi Mall Singhvi,Subhash C. Kashyap,J. P. Sharma,1971 **Reasons of State** Shashi Tharoor,1982 **India's Medieval and Modern Past** Shankar Goyal,2004 The history of medieval and modern India is an evergreen field for research IN recent decades the texture of writing on these periods is changing fast due to the availability of new materials and changing attitudes of historians Apparently now more attention is being devoted to the study of socio economic history historiography etc instead of the age old topics concerning the wars intrigues and rivalries of royal potentates and dynasties *The Political Career of K. Kamaraj* P. Kandaswamy,2001
