A New Society Che Guevara, 1991 **Che Guevara** Léo Sauvage, 1973 The Argentine Che Guevara, Bruno Gerardo, KATI NICHOLL, 2008 *The Politics of Che Guevara* Samuel Farber, 2016-05-18 This reexamination of Ernesto Che Guevara's thoughts on socialism democracy and revolution is a must read for today's activists or anyone longing to fight for a better world Fifty years after his death Guevara remains a symbol to legions of young rebels and revolutionaries This unique book provides a way to critically engage with Guevara's economic views his ideas about revolutionary agency and his conduct as guerrilla commander and government administrator in Cuba Samuel Farber was born and raised in Cuba He has written extensively on Cuba and the Cuban Revolution and is author of *Cuba Since the Revolution of 1959* **ERNESTO CHE GUEVARA** Marcos A. Alvarez, 2013-02-12 This book is a compilation of facts and ideas expressed by Guevara in his own speeches essays interviews working papers diary and others from conversations of family members friends subordinates and Castro including information from his best known biographers and supporters persuasive works published in Cuba and out after Che's death in Bolivia This was when he was not a threat to Fidel Castro's megalomania when Guevara did not constitute anymore a danger to Fidel's dream of becoming a hero and he would be the most important politician in America even perhaps in the whole world At that moment it was very important for Castro to use his limitless power in the Cuban government to develop the instrumentality necessary to transform Che's figure in what he is today an icon Che Guevara

on Revolution Che Guevara, Ernesto Guevara, 1969 **The Bolivian Diary** Ernesto Che Guevara, 2022-06-14 The last diary of revolutionary Che Guevara with entries up until two days before his murder This new edition of Che Guevara's diary of the last year of his life describes Che's efforts to launch a guerrilla insurrection against the military government of Bolivia It was found in his backpack when he was captured by the Bolivian Army in October 1967 This edition includes Fidel Castro's A Necessary Introduction exposing the lies of an earlier pre-emptive edition prepared by the C I A to discredit Che and the Bolivian expedition as well as the Cuban Revolution itself The Bolivian Diary reveals an older more time tested and health compromised Che than either the exuberant The Motorcycle Diaries or the mature and implacable Congo Diary There is rich irony here as he recounts the daily challenges faced by his small guerrilla band the pronouncements of the military government and the actions of the large military force attacking them The last entry describes the day before Che's capture two days before his murder *Reminiscences of the Cuban Revolutionary War* Che Guevara, 1998-12 Guevara left behind him writing that will endure among the best of revolutionary literature Not only is this book a step by step account of the revolution within a revolution but it is also a highly readable personal journal Fort Worth Star Telegram Che Guevara Allan Todd, 2024-07-30 Although Che Guevara was murdered almost sixty years ago the famous red and black image of him is still widely seen around the world at leftist political demonstrations and ironically given his strong opposition to capitalism on many commercial products However he was a controversial figure during his lifetime and remains so today On both the political left and the political right attitudes to him vary widely while some see him as a romantic highly principled and legendary fighter for the world's poor and exploited masses others depict him either as an unrealistic and thus irrelevant adventurer or even as a ruthless and cold blooded butcher Consequently biographies about him over the decades have ranged from the overly sympathetic to the extremely hostile As well as covering aspects of his family life and his loves and his early sometimes less than revolutionary attitudes this biography as expected deals with those areas for which Che is best known These include his adventurous explorations as a young man on a motorbike of Latin and Central America his leadership and bravery during Cuba's Revolutionary War his practical and theoretical contributions to the conduct of guerrilla warfare and his emergence as an international revolutionary legend who inspired radical young people in the 1960s and who continues to inspire rebellious people around the world today However this biography also explores other aspects of Che's life which are not so well known From an early age he developed a keen love of reading covering an eclectic mix of adventure stories poetry history and philosophy and from his teens he began a lifetime habit of making notes on what he read He also became a strong chess player able enough to draw with one of the world's leading grandmasters Even during guerrilla campaigns he managed to maintain those loves Since his murder he has emerged as an original contributor to Marxist economics and philosophy It was his wide ranging studies that led him to become an outspoken opponent of the orthodox communism followed in the Soviet Union and of its Cold War foreign policy of peaceful coexistence His tolerance of

and willingness to work with those having different views saw him accused of Maoism and even Trotskyism More accurately Che has bequeathed the unique strand of revolutionary socialism known as Guevarism *Global Justice* Che Guevara, 2002

Is there an alternative to the corporate globalization and militarism that is ravaging our planet These classic works by ERNESTO CHE GUEVARA including his famous essay *Socialism and Man in Cuba* present a revolutionary view of a different world in which human solidarity and understanding replace imperialist aggression and exploitation Che Guevara was born in Argentina and traveled throughout Latin America before joining the Cuban revolutionary movement that toppled the Batista dictatorship in 1959 Although best known as a guerrilla fighter this book shows Che as a profound thinker with a radical world view that still strikes a chord with young rebels in every country today The powerful of the earth should take head deep inside that T shirt where we have tried to trap him the eyes of Che Guevara are still burning with impatience Ariel Dorfman *Episodes of the Cuban Revolutionary War, 1956-58* Che Guevara, 1996 A first hand account of the military campaigns and political events that culminated in the January 1959 popular insurrection that overthrew the U S backed dictatorship in Cuba With clarity and humor Guevara describes his own political education He explains how the struggle transformed the men and women of the Rebel Army and July 26 Movement led by Fidel Castro And how these combatants forged a political leadership capable of guiding millions of workers and peasants to open the socialist revolution in the Americas Guevara s *Episodes* appears here complete for the first time in English *Che Guevara* Jon Lee Anderson, 2010-04-15 He became a myth in his own lifetime and an international martyr figure upon his death he was a revolutionary fighter a military strategist a social philosopher an economist a medical doctor and a friend and confidant of Fidel Castro Che Guevara s dream was an epic one to unite Latin America and the rest of the developing world through armed revolution and to end once and for all the poverty injustice and petty nationalisms that had bled it for centuries In the end Che failed in his quest but he is recognized as that one in a million personality who just might have pulled it off Jon Lee Anderson has been given unprecedented access to the Cuban Government s archives and has had total co operation from Che s widow Aleida March who has never previously spoken for publication about her late husband He has obtained hitherto unpublished documents including several of Che s personal diaries and in the course of his research broke open a twenty eight year old mystery the whereabouts of Che s body in Bolivia There is no doubt that this monumental work will stand as the definitive portrait of one of the twentieth century s most fascinating yet largely unexplored historical figures
