Che Guevara, Economics and Politics in the Transition to Socialism Carlos Tablada Pérez, Carlos Tablada,1998 Quoting extensively from Guevara s writings and speeches on building socialism this book presents the interrelationship of the market economic planning material incentives and voluntary work and why profit and other capitalist categories cannot be yardsticks for measuring progress in the transition to socialism Preface by Mary Alice Waters 16 page photo section Appendix Manual for Administrators notes further reading bibliography index

The Great Debate on Political Economy Che Guevara, Ernesto Guevara, Charles Bettelheim, Ernest Mandel, 2006-08-03 Complete collection of contributions to the famous debate published for the first time in English Che Guevara s outline of a humanist approach to economics is an unprecedented and unique contribution to Marxist theory This book reveals an entirely new dimension to Che Guevara beyond the young adventurer on a motorcycle or guerrilla icon as a profound political and economic thinker offering a unique resource for a new generation discussing alternatives to capitalism Che Guevara H. Yaffe, 2009-02-25 Che Guevara remains an iconic figure four decades after his death Yet his most significant contribution his work as a member of the Cuban government is rarely discussed This book explores his impact on Cuba s economy through fascinating new archival material and interviews The Marxism of Che Guevara Michael Löwy, 2023-06-14 Excellent The book gives one a clear understanding of the relationship of Guevara's thought to traditional Russian and Marxist philosophy Choice Reviews In this seminal exploration of Che Guevara's contributions to Marxist thinking Michael L wy traces Che's ideas about Marxism both as they related to Latin America and to more general philosophical political and economic issues Now revised and updated this edition includes a chapter on Guevara's search for a new paradigm of socialism and a substantive essay by Peter McLaren on Che's continued relevance today L wy portrays Guevara as a revolutionary humanist who considered all political questions from an internationalist viewpoint For him revolutionary movements in Latin America were part of a world process of emancipation L wy considers especially Che s views on the contradiction between socialist planning and the law of value in the Cuban economy and his search for an alternative road to the actually existing socialism of the Stalinist and post Stalinist Soviet bloc Che's varied occupations doctor and economist revolutionary and banker

agitator and ambassador industrial organizer and guerrilla fighter were expressions of a deep commitment to social change This book eloquently captures his views on humanity his contributions to the theory of revolutionary warfare and his ideas about society s transition to socialism offering a cohesive nuanced introduction to the range of Guevara s thought An excellent classroom tool for anyone teaching about Latin America or revolution Science Society This book provides us with the picture of Guevara's great flexible and searching mind Carleton Beals Michael L wy's brief but penetrating book takes Che Guevara not as a romantic adventurer but as a serious revolutionary militant Telos Globalizing Political Theory Smita A. Rahman, Katherine A. Gordy, Shirin S. Deylami, 2022-12-02 Globalizing Political Theory is guided by the need to understand political theory as deeply embedded in local networks of power identity and structure and to examine how these networks converge and diverge with the global With the help of this book students of political theory no longer need to learn about ideas in a vacuum with little or no attention paid to how such ideas are responses to varying local political problems in different places times and contexts Key features include Central Conceptual Framework Introducing readers to what it means to globalize political theory and to move beyond the traditional western canon and actively engage with a multiplicity of perspectives Organization Focused on key topics essential for an introductory class aimed at both globalizing political theory and showing how political theory itself is a globalizing activity Themes Colonialism and Empire Gender and Sexuality Religion and Secularism Marxism Socialism and Globalization Democracy and Protest and Race Ethnicity and Indigeneity Pedagogy Each chapter features theoretical concepts and definitions political and historical context key authors and biographical context textual evidence and exegesis from the foundational texts in that thematic area a list of discussion questions and a list of resources for further reading Committed to a multiplicity of perspectives and an active engagement between the global and the local Globalizing Political Theory connects directly with undergraduate and graduate level courses in political theory global political theory and non western political thought The Politics of Che Guevara Samuel Farber, 2016-05-18 This reexamination of Ernesto Che Guevara's thoughts on socialism democracy and revolution is a must read for today's activists or anyone longing to fight for a better world Fifty years after his death Guevara remains a symbol to legions of young rebels and revolutionaries This unique book provides a way to critically engage with Guevara's economic views his ideas about revolutionary agency and his conduct as guerrilla commander and government administrator in Cuba Samuel Farber was born and raised in Cuba He has written extensively on Cuba and the Cuban Revolution and is author of Cuba Since the Revolution of 1959 **Che Guevara Reader** Che Guevara, 2003 The most comprehensive version of Che s writings available in English Covering Che's writings on the Cuban revolutionary war the first years of the revolution in Cuba and his vision for Latin America and the third world it includes such classic essays as Socialism and Man in Cuba and Two Three Many Vietnams Contains several unpublished articles essays and letters including a letter from Che to his children shortly before his death in Bolivia in 1967 and an essay Strategy and Tactics for the Latin American Revolution Che

Guevara and the Economic Debate in Cuba Luiz Bernardo Perics, 2009-04 Perics defines Guevara s thoughts on the economy in this groundbreaking well documented work Che's Travels Paulo Drinot, 2010-09-01 Country by country historians follow the routes taken by Che Guevara on his two trips across Latin America in the early 1950s Ernesto 'Che' Guevara Queer Migrations Eithne Luibhéid, Lionel Cantu, Jr., At the intersection of citizenship sexuality and race a new perspective on the immigrant experience Life Without Money Anitra Nelson, Frans Timmerman, 2011-11-07 The money based global economy is failing The credit crunch undermined capitalism s ability to ensure rising incomes and prosperity while market led attempts to combat climate change are fought tooth and nail by business as environmental crises continue We urgently need to combat those who say there is no alternative to the current system but what would an alternative look like The contributors to Life Without Money argue that it is time radical non market models were taken seriously The book brings together diverse voices presenting strong arguments against our money based system's ability to improve lives and prevent environmental disaster Crucially it provides a direct strategy for undercutting capitalism by refusing to deal in money and offers money free models of governance and collective sufficiency Life Without Money is written by high profile activist scholars including Harry Cleaver Ariel Salleh and John O Neill making it an excellent text for political economy and environmental courses as well as an inspiring manifesto for those who want to take action

Imperialism in the Twenty-First Century John Smith, 2016-01-22 Provides an examination of the relationship between the core capitalist countries and the rest of the world in the age of neoliberal globalization Deploying a Marxist methodology Smith begins by tracing the production of certain iconic commodities the T shirt the cup of coffee and the iPhone and demonstrates how these generate enormous outflows of money from the countries of the Global South to transnational corporations headquartered in the core capitalist nations of the Global North From there Smith draws on his empirical findings to theorize the current shape of imperialism He argues that the core capitalist countries need no longer rely on military force and colonialism although these still occur but increasingly are able to extract profits from workers in the Global South through market mechanisms and by aggressively favoring places with lower wages the phenomenon of labor arbitrage From publisher description Fidel Castro Speeches: In defense of socialism, four speeches on the 30th **anniversary of the Cuban revolution** Fidel Castro, 1981 *Che Lives!* Shannon Brincat, 2025-08-12 This book explores the vast and ongoing legacy of Che Guevara in world politics It is one of the first volumes to explore both historical and contemporary manifestations of Che's legacy with an emphasis on the international dimensions of his thought and praxis The chapters in this volume explore the ongoing influence of Che across political economy revolutionary traditions querilla warfare resistance movements in the global South studies of neoimperialism and decolonialism internationalism education and political theory This volume highlights that Che's thought remains highly relevant in contemporary world politics because the structures of global economic exploitation and social marginalisation continue to operate as they did in Che s

time This volume offers a critical engagement with Che's ideas and actions across world politics weaving a path beyond man myth and moment narratives to offer a balanced account that engages across the highly contested nature of Che's legacy This book will be of interest to anyone concerned with history politics and international relations Most of the chapters in this book were originally published as a special issue of Globalizations with this edition featuring three new chapters an updated Introduction and a new postscript The Political Theory of Che Guevara Renzo Llorente, 2018-02-09 Nearly half a century after his death Ernesto Che Guevara remains a compelling and controversial figure He was an original social theorist and many of his writings attest to an innovative interpretation of various concepts and commitments central to Marxist thought This is one of the first works to comprehensively consider his contribution to social and political theory for a student audience Firstly the book provides thorough and reliable accounts of the key theses concepts and commitments that give Che Guevara s theoretical and political orientation its distinctive character It addresses Guevara s views on topics such as work morality in socialism egalitarianism prefigurative politics internationalism and the process of disembourgeoisement Secondly the study situates Guevara s ideas within the context of the Marxist theoretical tradition and on the other hand twentieth century Latin American social thought To this end it will explore both the affinities and dissimilarities between Guevara s views on certain fundamental questions and the views represented by such figures as Marx Lenin Herbert Marcuse and Jos Carlos Mari tequi Finally The Political Thought of Che Guevara will provide critical assessments of Che s key ideas many of which remain relevant to contemporary debates in socialist theory The Rise and Fall of the Nicaraguan Revolution Jack Barnes, Larry Seigle, 1994 Leaders of the communist movement in the United States writing as partisans of the Nicaraguan revolution trace the achievements worldwide impact of the workers farmers government that came to power in 1979 They examine the political retreat of the Sandinista National Liberation Front that led to the downfall of the government in the closing years of the 1980s A Historical Examination of the Political Economy of the Mexican State and Its Impact on Foreign Policy Priscilla Elaine Falcon Lujan, 1993
