**Sociocultural Dimensions of Language Use** Mary Sanches, Ben G. Blount, 1975 Presents detailed articles that shed light upon the ritual and social elements of verbal behavior *Dimensions of Language* Boyd H. Davis, 1993 Dimensions of Register Variation Douglas Biber, 1995-08-31 Douglas Biber's new book extends and refines the research and methodology reported in his ground breaking *Variation Across Speech and Writing* CUP 1988 In *Dimensions of Register Variation* he gives a linguistic analysis of register in four widely differing languages English Nukulaelae Tuvaluan Korean and Somali Using the multi dimensional analytical framework employed in his earlier work Biber carries out a principled comparison of both synchronic and diachronic patterns of variation across the four languages Striking similarities as well as differences emerge allowing Biber to predict for the first time cross linguistic universals of register variation This major new work will provide the foundation for the further investigation of cross linguistic universals governing the pattern of discourse variation across registers and will be of wide interest to any scholar interested in style register and literacy Sociocultural Dimensions of Language Change Ben G. Blount, Mary Sanches, 2014-05-10 *Sociocultural Dimensions of Language Change* focuses on the influence of sociocultural terms on the forms of languages The selection first underscores the sociocultural dimensions of language change and language evolution and speech style Discussions focus on the relation of speech style and language evolution linguistic evidence of language evolution autonomy of code and style language contact phenomena and extension of the concept of language The book then takes a look at speech and social prestige in the Belizian speech community Japanese numeral classifiers and speculations on the growth of ethnobotanical nomenclature Topics include appearance of varietal names differentiation and formation of specific names six universal categories of ethnobotanical nomenclature salience of speech and prestige social success and language The publication elaborates on color categorization in West Futunese creolization and syntactic change in New Guinea Tok Pisin relexification processes in Philippine Creole Spanish and the historical and sociocultural aspects of the distribution of linguistic variants in highland Chiapas Mexico The selection is a valuable source of data for language experts and researchers interested in the sociocultural dimensions of language change

**Dimensions of Language Experience** Charlotte B. Winsor, 1975 **Scientific and Humanistic Dimensions of Language** Kurt R. Jankowsky, 1985-01-01 A collection of papers on Language teaching Bilingualism Language testing Contrastive analysis Language acquisition and performance Language thought and meaning Linguistic and literary analysis Lexical and terminological studies Language policy and language planning **The language dimension in all subjects** Jean-Claude Beacco, Mike Fleming, Francis Goullier, Eike Thürmann, Helmut Vollmer, Joseph Sheils, 2016-10-24 Mastering the language of schooling is essential for learners to develop the skills necessary for school success and for critical thinking It is fundamental for participation in democratic societies and for social inclusion and cohesion This handbook is a policy and working document which promotes convergence and coherence between the linguistic dimensions of various school subjects

It proposes measures to make explicit in curricula pedagogic material and teacher training the specific linguistic norms and competences which learners must master in each school subject. It also presents the learning modalities that should allow all learners and in particular the most vulnerable among them to benefit from diversified language learning situations in order to develop their cognitive and linguistic capacities.

*Urban Diversities and Language Policies in Medium-sized Linguistic Communities* Emili Boix, 2015. This book examines medium sized linguistic communities in urban contexts against the backdrop of the language policies which have been implemented in these respective areas. The book aims to improve our understanding of how and why languages live and decay and of how intercultural cities where communities show interest in each other's culture and language can be better built and encouraged.

*Sociolinguistical Dimensions of Language Use* Mary Sanches, Ben G. Blount, 1975.

*New dimensions in language series* Lee Harrison Mountain, McCormick-Mathers Publishing Co, 1969.

**New Dimensions in Language Training** John Rassias, 1970.

**Mapping Linguistic Diversity in Multicultural Contexts** Monica Barni, Guus Extra, 2008-08-27. Within the European context linguistic diversity can be studied at the level of both official state languages and non national languages. This comprehensive overview offers insightful crossnational and crosscontinental perspectives on non national languages in terms of both regional and immigrant languages. The book focuses on mapping linguistic diversity in both the private and public domain. Methodological issues and empirical outcomes are explored for a variety of European and non European countries and languages. The book consists of four parts. Part 1 provides an introduction to the subject as well as an overview and discussion of migration statistics and language use. Part 2 deals with the mapping of regional languages in Europe exemplified by case studies on Welsh, Basque and Frisian. Part 3 focuses on immigrant languages in Europe and includes case studies from both national Switzerland, Italy, France and crossnational Multilingual Cities Project perspectives. Part 4 turns to mapping linguistic diversity abroad with case studies on Australia, South Africa, Turkey and Japan.

**A Standard Dictionary of the English Language** Isaac Kaufman Funk, 1906.

**Motivation, Language Attitudes and Globalisation** Zoltán Dörnyei, Kata Csizér, Na3ra Na(c)Meth, 2006-01-01. This volume presents the results of the largest ever language attitude motivation survey involving over 13 000 teenage language learners in Hungary on three successive occasions in 1993, 1999 and 2004. The results are not confined to the European environment but have wider implications concerning attitude change, motivational dynamics and language globalisation.

**Grammar Dimensions** Stephen H. Thewlis, 1997. Book 3 is the third in a four level series aimed at the intermediate to high intermediate language learner and addresses the three dimensions of language form, meaning and use, ensuring that students not only learn to form grammatical structures but also are able to use them meaningfully and appropriately.

**The Sociopolitics of English Language Teaching** Joan Kelly Hall, William Eggington, 2000-01-01. The sociopolitical dimensions of English language teaching are central to the English language professional. These dimensions include language policies, cultural expectations and the societal roles of languages. This book aims to present these issues to

practicing and aspiring teachers in order to raise awareness of the sociopolitical nature of English language teaching

*Children's Language and Learning* Judith Wells Lindfors,1980      **A Standard Dictionary of the English Language ...**  
,1904      **Biological Dimensions of Language and Language Disorders in Children** Richard Allen Chase,1968

Linguistics for the Teacher Joseph C. Mukalel,2003 The book aims at introducing the language teacher in general and the teacher of English in particular to the field of linguistics that should necessarily form the basis of his own understanding of what language is and of his classroom practice generating from this knowledge An understanding of the nature of English as a language as such because essential for the teacher as he begins evolving adequate classroom methodology teaching techniques as well as the large variety of learning experiences that go into the making of what we call effective teaching His own treatment of the classroom situations largely depends on these linguistic specification that are provided to him by the linguist
