Dimsie, Head Girl Dorita Fairlie Bruce, 1938 **Dimsie, Head Girl** Dorita Fairlie Bruce, 1925 **Textuality and Sexuality** Judith Still, Michael Worton, 1993 British and American School Stories, 1910-1960 Nancy G. Rosoff, Stephanie Spencer, 2019-02-25 This book examines school and college fiction for girls in Britain and the United States written in the first half of the twentieth century to explore the formation and ideologies of feminine identity Nancy G Rosoff and Stephanie Spencer develop a transnational framework that recognises how both constructed and essential femininities transcend national boundaries The book discusses the significance and performance of female friendship across time and place which is central to the development of the genre and how it functioned as an important means of informal education Stories by Jessie Graham Flower Pauline Lester Alice Ross Colver Elinor Brent Dyer and Dorita Fairlie Bruce are set within their historical context and then used to explore aspects of sociability authority responsibility domesticity and possibility The distinctiveness of this book stems from the historical analysis of these sources which have so far primarily been treated by literary scholars within their national context Winner of the History of Education Society Anne Bloomfield Prize for the best book on history of education published in English 2017 19 **Juvenile" Literature and British Society** Charles Ferrall, Anna Jackson, 2012-05-10 In this study Charles Ferrall and Anna Jackson argue that the Victorians created a concept of adolescence that lasted into the twentieth century and yet is strikingly at odds with post Second World War notions of adolescence as a period of storm and stress In the enormously popular juvenile literature of the period primarily boys and girls own adventure and school stories adolescence is acknowledged as a time of sexual awareness and yet also of a romantic idealism that is lost with marriage a time when boys and girls acquire adult duties and responsibilities and yet have not had to assume the roles of breadwinner or household manager The book reveals a concept of adolescence as significant as the Romantic cult of childhood that preceded it which will be of interest to scholars of both children s literature and Victorian culture **Arguments of Heart and Mind** Jan Montefiore, 2002 Amitav Ghosh is an authoritative critical introduction to the fictional and non fictional writings of one of the most celebrated and significant literary voices to have emerged from India in recent decades It is the first full length study of Amitav Ghosh s work to be available outside India Encompassing all of Ghosh s fictional and non fictional writings to date this book takes a thematic approach which enables in depth analysis of the cluster of themes ideas and issues that Ghosh has steadily built up into a substantial intellectual project This project overlaps significantly with many of the key debates in postcolonial studies and so this book is both an introduction to Ghosh s writing and a contribution to the development of ideas on the postcolonial in particular its relation to postmodernism Amitav Ghosh is for students and teachers of postcolonial literatures in English at both undergraduate and postgraduate levels **The Publishers' Circular and Booksellers' Record** , 1928 **The World of Girls** Rosemary Auchmuty, 1992 Examines the work of four authors Elsie Jeanette Oxenham Dorita Fairlie Bruce Elinor Mary Brent Dyer and Enid Blyton
