Neoliberalism, Ethics and the Social Responsibility of Psychology Heather Macdonald,Sara Carabbio-Thopsey,David M. Goodman,2022-07-05 This volume encompasses deeply critical dialogues that question how the field of psychology exists within and is shaped by the current neoliberal political context Spanning from psychoanalysis to post colonial theory these far reaching discussions consider how a greater ethical responsiveness to human experience and sociopolitical arrangements may reopen the borders of psychological discourse With the understanding that psychology grows in the soil of neoliberal terrain and is a chief fertilizer for neoliberal expansion the interviews in this book explore alternative possibilities for how this field of study might function By offering their own unique responses regarding the current condition of their respective disciplines these scholars critically consider the current conceptual frameworks that set the theoretical boundaries of psychology and contemplate the ethical responsibility currently affecting the field This book will prove essential for scholars and students across several disciplines including psychology philosophy ethics and post colonial and socio cultural studies as well as practising mental health professionals with an interest in the importance of psychological social theory

Fronteras No Mas Kathleen Staudt,I. Coronado,2016-04-30 *Fronteras No Mas* examines the range of officials non government organizations networks and remaining organizational vacuums that span the U S Mexico border Since NAFTA more binational institutions and policies have emerged around the environment business and the labor force This institutional shroud facilitates the growth of civil society yet cross border organizing remains a challenging and complex version of local politics Residents live and work within a region of vast economic inequalities and markedly different governments The authors offer a civic blueprint on ways to enhance cooperation given the almost certain future of increased interdependence in this North American space
