## Dining In Milwaukee:

*Classic Restaurants of Milwaukee* Jennifer Billock, 2020 Milwaukee may be known for beer brats and custard but the city's food history is even richer and tastier At the Public Natatorium diners supped at an old public pool and watched a dolphin show at the same time Solly's Oriental Drugs and others nurtured a thriving lunch counter culture that all ages enjoyed Supper clubs and steakhouses like Five O Clock reigned supreme And we can't forget about the more illicit side of Milwaukee meals like the mafia hangouts and a local fast food chain with a mysterious resemblance to a national brand Pairing the history of classic restaurants with recipes of favorite dishes author Jennifer Billock explores both the well known and the quirkiest sides of Milwaukee's dining past Provided by publisher **Milwaukee Food: A History of Cream City Cuisine** Lori Fredrich, 2015 Milwaukee's culinary scene boasts more than the iconic beer and bratwurst It possesses a unique food culture as adventurous as any dining destination in the country Sample the spreads at landmark hotels like the Pfister that established the city's hospitable reputation as well as eateries like Mader's that cemented it Meet the producers chefs and entrepreneurs who helped expand Milwaukee's palate and pushed the scene to the forefront of the farm to fork movement Milwaukee native and food writer Lori Fredrich serves up the story of a bustling blue collar town that became a mecca for food lovers and a rising star in the sphere of urban farming **Milwaukee Dining** Willard Romantini, 1987 **Milwaukee Restaurant Guide 2018** James R. the trends of the time and the cooks of the community The editors were local celebrities judging cooking contests and getting calls at home about how to prepare a Thanksgiving turkey They were consumer advocates and reporters for food safety and nutrition They helped make James Beard and Julia Child household names as the editors wrote about their television appearances and reviewed their cookbooks These food editors laid the foundation for the food community that Nora Ephron described in her classic 1968 essay The Food Establishment and eventually led to the food communities of today Included in the chapters are profiles of such food editors as Jane Nickerson Jeanne Voltz and Ruth Ellen Church who were unheralded pioneers in the field as well as Cecily Brownstone Poppy Cannon and Clementine Paddleford who are well known today an analysis of their work demonstrates changes in the country s culinary history The book concludes with a look at how the women s pages folded at the same time that home economics saw its field transformed and with thoughts about the foundation that these women laid for the food journalism of today
