By February the siege was over but its effects were to be felt for decades afterward. *Siege 13* is a collection of thirteen linked stories about this terrible time in history, both its historical moment but also later as a legacy of silence, haunting, and trauma that shadows the survivors. Set in both Budapest before and after the siege and in the present day in Canada, the U.S., and parts of Europe, *Siege 13* traces the ripple effect of this time on characters directly involved and on their friends, associates, sons, daughters, grandchildren, and adoptive countries. Written by one of this country's best and most internationally recognized short story authors, the story "The Restoration of the Villa Where Tibor Kallman Once Lived" won the 2011 O.
