**Couture & Commerce** Alexandra Palmer, Royal Ontario Museum, 2001 The 1950s were the golden years of haute couture captured by iconic images of glamorous models wearing dramatic clothes Yet the real women who wore these clothes adapted them to suit their own tastes altered them to extend their life and often could not bear to part with them long after the dresses had outlived their use This gorgeously illustrated book demonstrates why so many of these designs are still

in existence and why we are fascinated by them fifty years later Couture and Commerce investigates how and why postwar couture fashion was important in its own day The Paris couture houses survived due to the enthusiasm of the North American fashion press and commercial buyers Alexandra Palmer traces the European haute couture trade with North America by following actual surviving couture dresses from the design house sketch through the model used in New York fashion shows and as a template for copies and knock offs and finally to the consumer Couture and Commerce is a remarkable mixture of accessible text color photographs of the original garments design house sketches and photographs retailers advertisements and society page images Weaving together analysis of the clothes and interviews with those who traded sold and wore couture Alexandra Palmer vividly recreates the 1950s fashion world      **Subject Guide to Books in Print** ,1971      *The History of Haute Couture, 1850-1950* Diana De Marly,1980 Many people consider haute couture died in 1950 when ready to wear fashion came on the market Since then fashion has undergone fundamental changes Nonetheless there will always be a certain demand for beautiful individually made clothes but the future will never be as lavish and as magnificent as the period here investigated The author traces its history from Charles Frederick Worth the first global fashion dictator and Imperial French dressmaker to Geoffrey Wallis who wished to make good design available to all Google books      1950 to the Present Day Marion Sichel,1977 The tenth in the series on British dress this covers a period of dramatic change marked by Teddy Boy beatnik swinging 60s and hippy fashions Trends include an increase of colour unisex designs informality and greater use of man made fibres The author ties in developments with social change noting how women s increasing freedom and equality was reflected in the trouser suit jeans and T shirt how the communication revolution created an atmosphere of striking but short lived fashions such as hot pants The period also saw the end of the dominance of haute couturiers and the emergence of cheap easy care mass produced clothes aimed particularly at the young      **American Decades Primary Sources: 1950-1959** Cynthia Rose,2004 Contains over two thousand primary sources on twentieth century American history and culture featuring seventy five different types of sources arranged chronologically in twelve categories including the arts education government and politics media medicine and health religion and sports      **Official Gazette of the United States Patent Office** USA Patent Office,1953      **Art Books, 1950-1979** R.R.
