Intermittent Diplomat William Macmahon Ball, 1988 **Diplomat in Japan** Ernest Satow, 2005-01-15 A fascinating inside account of the epic clash between the Japanese in the West in its earliest days. Sir Ernest Satow entered the British diplomatic service in 1861 a fresh graduate of London University shortly arriving in Yokohama as the pressure of the Western powers heightened to force Japan from her self imposed seclusion. This illustrated work written between 1885 and 1921 offers his intriguing firsthand account of the critical years which led to the final overthrow of the Shogunate the restoration of direct rule to the ancient line of emperors and indeed to the birth of modern Japan. It was a period of momentous importance for Japan and of crucial significance in global history. Based on diary notes kept without interruption during twenty years of service in Japan Satow reconstructs the strange and occasionally hazardous world confronting foreigners in those early days. Combining astute personal insight with a direct knowledge of the details of treaties and the circumstances of their negotiation he provides a unique and authentic inner history of the events which finally brought Japan onto the international scene.

Ten Years in Japan Joseph C. Grew, 2014-12-03 Ten Years in Japan is a fascinating and unique look inside the government of Japan before and during the attack on Pearl Harbour Written from the detailed personal diaries of Joseph C Grew the American ambassador based in Tokyo from 1932 and up until war was declared in the beginning of 1942 This book deals as is right and proper primarily with American Japanese relations But for British readers it has a special interest because it covers a period during which British and American policies in the Orient followed parallel lines a period when the two Governments were grappling with problems always similar and sometimes identical The interest is not lessened by the peeps that we get of what were in fact unremitting efforts on the part of the Japanese to sow discord between Britain and America on the principle of divide et impera
