Diplomatic Twilight 1930 1940:

Diplomatic Twilight, 1930-1940 Sir Walford Harmood Montague SELBY, 1953 *Hungarian-British Diplomacy 1938-1941* András D. Bán, 2004-08-02 This book deals with the relationship between Britain and Hungary during the crucial years 1938 1941 In addition to archival research in London and Budapest mostly about the relations of the governments B n s work broadens into political social intellectual and cultural history This is one of its exceptional assets including materials hitherto overlooked or disregarded as it relates to more than diplomatic history even though in dealing with the latter too B n s mastery of archival and other evidence is extraordinarily valuable **The Foreign Office and British Diplomacy in the Twentieth Century** Gaynor Johnson, 2013-09-13 This book examines the evolution of the Foreign Office in the 20th century and the way in which it has responded to Britain s changing role in international affairs The last century was one of unprecedented change in the way foreign policy and diplomacy were conducted The work of The Office expanded enormously in the 20th century and oversaw the transition from Empire to Commonwealth with the merger of the Foreign and Colonial Offices taking place in the 1960s The book focuses on the challenges posed by waging world war and the process of peacemaking as well as the diplomatic gridlock of the Cold War Contributions also discusses ways in which the Foreign and Commonwealth Office continues to modernise to meet the challenges of diplomacy in the 21st century This book was previously published as a special issue of the journal Contemporary British History [Diplomatic Twilight, 1930-1940](#) Walford Harmood Montague Selby, 1953 **Germany and the Diplomacy of the Financial Crisis, 1931** Edward W. Bennett, 1962 Using documents only recently available this pioneering book explores the interaction of German British French and American policy at a time when the great depression and the growing political power of the Nazis had created a European crisis the only such crisis between 1910 and 1941 in which the United States played a leading role The author uses contemporary records to rectify the later accounts of such participants as Herbert Hoover Julius Curtius and Paul Schmidt He describes the negotiations of the major powers arising out of the Austro German plans for a customs union and relates this problem to the question of terminating reparations and war debts He shows how the Governor of the Bank of England directed British foreign policy into bitter opposition to France and how the German government sought to exploit the German private debt to Wall Street Edward Bennett comes to the conclusion that the Br ning government contrary to widely held opinion received fully as much help as it deserved while the Western powers were already showing the disunity and irresponsibility which proved so disastrous in later years Although primarily a diplomatic history this book also offers fresh information on pre Hitler Germany MacDonald s Britain the Hoover administration and the early career of Pierre Laval **Britain, Soviet Russia and the Collapse of the Versailles Order, 1919-1939** Keith Neilson, 2005-12-22 A major re interpretation of international relations in the period from 1919 to 1939 Avoiding such simplistic explanations as appeasement and British decline Keith Neilson demonstrates that the underlying cause of the Second World War was the

intellectual failure to find an effective means of maintaining the new world order created in 1919 With secret diplomacy alliances and the balance of power seen as having caused the First World War the makers of British policy after 1919 were forced to rely on such instruments of liberal internationalism as arms control the League of Nations and global public opinion to preserve peace Using Britain's relations with Soviet Russia as a focus for a re examination of Britain's dealings with Germany and Japan this book shows that these tools were inadequate to deal with the physical and ideological threats posed by Bolshevism fascism Nazism and Japanese militarism Decisions and Diplomacy Dick Richardson, Professor Glyn A
