**Direct Mail Ministry** Walter Mueller, 1989      Wisdom from Lyle E. Schaller Warren Bird, 2012 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller's writing and count him as a major ministry influence      **Doing the Gospel** Roy C. Nichols, 1990      Christian Caregiving, a Way of Life Kenneth C. Haugk, 1994 This complete leader's guide makes it easy to use Dr Haugk's practical book to build community and train church members in distinctively Christian caring and relating skills      Direct Mail Stewardship Program for Church-family Budget Pacific Union Conference of Seventh-day Adventists. Stewardship and Development Department, Central California Conference of Seventh-day Adventists. Stewardship and Development Department, 1981      **Contagious Generosity** Chris Willard, Jim Sheppard, 2012-07-03 The general practices related to church funding aren't producing the same results they have in the past There is a general acceptance that something has changed but little talk or interest is coming from traditional church leader training sources such as denominational entities and seminaries Pastors are largely left to their own devices to figure this out They need a lifeline While some churches are experiencing exponential growth some churches despite their best efforts have been unsuccessful at moving beyond survival mode Coupled with increased competition from other nonprofits and a decline in the commitment to give to the church first churches risk losing the funding they need A growing number of leaders are beginning to discover there is another way and are struggling to understand what makes one church generous and another not There is a need in the market to offer a simple working definition of generosity and reveal the secrets some church leaders seem to have simply stumbled upon which are resulting in unexplainable ministry growth and unprecedented church funding even in the midst of tough economic times The content of this material was developed and refined by Jim Sheppard and Chris Willard through years of ministry leadership in the local church consulting with church leaders across a broad spectrum of church settings and through participation in and leadership of the Generous Church Leadership Community facilitated by Leadership Network Of particular benefit will be the collection of observations and best practices gleaned during the Generous Church Leadership Community that originated within real life church leadership situations and scenarios by highlighting specific challenges methods and successes      Beyond Stewardship John William Zehring, Kate Jagger, 2016 Authors John Zehring and Kate Jagger have run a lot of fundraising campaigns and they bring that experience to bear in this practical resource for churches Beyond Stewardship applies the best principles of fundraising to the annual giving campaign in local congregations By emphasizing the individual givers and the act of giving as integral to the givers spiritual life this book goes beyond typical

stewardship models to celebrate the generosity already demonstrated by church members and to invite further giving based on that generous past Using a collaborative paradigm that engages leadership across the church this volume offers four interlocking strategies for a successful annual giving campaign personal visits concentric circles of commitment public witness and direct mail Features practical appendix of tools and resources      **Creative Stewardship** Richard B. Cunningham,1979
