Directors Manual For Weekday Ministries:

Director's Manual for Weekday Ministries Barbara Snell McLain, 2002-12-01 The role of the program director Licensing and accreditation How to get started How to set up and manage in the available space How to implement and maintain a quality program How to create a safe environment Financing Managing enrollment Initial training and continuing education of staff The role and duties of board of directors Getting the word out into the community Includes reproducible handouts

Weekday Ministry with Young Children Martha Locke Hemphill, 1973 This book emphasizes ministry with young children through the weekday nursery school held in a church a ministry in which teachers enter into personal relationships and experiences with children The author points out that the nursery school should be planned as part of the total Christian education program of the church She describes how to set up and administer a weekday school within the structure of the church program She also recommends the qualifications and characteristics to be sought in teachers The final section of the book contains suggested activities and resources built around monthly themes This book is an excellent resource for churches which are contemplating starting their own weekday nursery school as well as for teachers in an already existing school who are looking for new ideas to use in their ministry with children

The Nuts & Bolts of Christian Education Delia Halverson, 2010-10-01 Can you give me the book that will tell me how to DO Christian education The Nuts Bolts of Christian Education is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders Even though most churches provide teacher and leader training at least once a year generally these one or two day sessions are unable to answer every question that arises during the year The Nuts Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging and sometimes confounding landscape of the education ministry of a congregation This is not a collection of lesson plans it is a chock full survey of nearly every aspect of Christian education one could imagine DOING Christian Education starts here
