Dirty Talk Mastery Cherry Wilson, 2021-04-29 Harder Keep going don't stop Yeah you like that baby As forced as it sounds when you read it many of us love hearing dirty talk in the bedroom We lose ourselves in the heat of passion and take on a persona that turns us on in the most naughty unconventional ways But there's more to it than that What is it about erotic communication that increases our sexual arousal When we look past the kinkiness we may find

there's more to dirty talk than our desire to bring out our wild side. Since one of the most important things in a relationship is communication, it only makes sense that when things get hot and heavy, you should continue to have a dialogue. Yes, I'm suggesting dirty talk, and yes, if you haven't given it a try during sex or foreplay, it's time. It's actually less scary than it seems. While there are plenty of great articles and books about how to talk dirty to your partner, there aren't enough out there about why you should do it. Most of these aforementioned articles and books are angled in a way that you should talk to dirty to your man or woman because that's what he or she likes and wants, and the rest of the heteronormative junk that fails to include everyone. But what those pieces seem to forget is that when you bring dirty talk into the mix, it isn't just about your partner and their needs; it's equally about what you enjoy too, and a lot of us really love to talk dirty. It feels good to let it all out. Whether you choose to talk dirty in bed via sexting or like to indulge in good old-fashioned phone sex, talking dirty is definitely something everyone should try. Everyone has their own specific set of turn-ons, but few things are easier to actually do than talk dirty in the bedroom. It may feel a little awkward at first, but once you get the hang of it, it can do amazing things for your sex life. But is dirty talk healthy? It's hard to believe that raunchy, rough sex talk can positively impact a relationship. However, experts say dirty talk can, in fact, bring couples closer together. Enough of my chit-chat, click the buy button above to get started and become a pro dirty talker.
