Disappearances And Political Killings A Manual For Action:

Disappearances and Political Killings, 1994 More than a million people in the past 25 years have been victims of disappearances 212 807 8400 **Transitional Justice and the 'Disappeared' of Northern Ireland** Lauren Dempster, 2019-06-11 This book employs a transitional justice lens to address the disappearances that occurred during the Northern Ireland conflict or Troubles and the post conflict response to these disappearances Despite an extensive literature around dealing with the past in Northern Ireland as well as a substantial body of scholarship on disappearances in other national contexts there has been little scholarly scrutiny of disappearances in post conflict Northern Ireland Although the Good Friday Agreement brought relative peace to Northern Ireland no provision was made for the establishment of some form of overarching truth and reconciliation commission aimed at comprehensively addressing the legacy of violence Nevertheless a mechanism to recover the remains of the disappeared the Independent Commission for the Location of Victims Remains ICLVR was established and has in fact proven to be quite effective As a result the reactions of key constituencies to the disappearances can be used as a prism through which to comprehensively explore issues of relevance to transitional justice scholars and practitioners Pursuing an interdisciplinary approach and based on extensive empirical research this book provides a multifaceted exploration of the responses of these constituencies to the practice of disappearing It engages with transitional justice themes including silence memory truth acknowledgement and apology Key issues examined include the mobilisation efforts of families of the disappeared efforts by a former non state armed group to address its legacy of violence the utility of a limited immunity mechanism to incentivise information provision and the interplay between silence and memory in the shaping of a collective societal understanding of the disappeared **A History**

of the Western Sahara Conflict Michael Baers, 2022-10-10 The conflict in Western Sahara has endured for nearly half a century yet remains little known on the world stage Drawing on multiple sources this book presents an expansive history of both the conflict and the region encompassing the history of the early Moroccan empires the successive migrations of Arab nomads across the Sahara the age of European exploration and colonialism and the postcolonial period when the conflict erupted out of a complex set of forces that include longstanding regional tensions North Africa s colonial legacy the instability of post independence Morocco and diplomatic intrigues on the part of Western powers during the Cold War period While it does not address the history of the conflict following the UN mandated ceasefire of 1991 the book provides an overview for readers interested in both the conflict itself and the history of African nationalism in the post war period

Law's Impunity Hin-Yan Liu, 2015-09-24 When faced with those who act with impunity we seek the protection of law We rely upon the legal system for justice from international human rights law that establishes common standards of protection to international criminal law that spearheads efforts to end impunity for the most heinous atrocities While legal processes are perceived to combat impunity and despite the ready availability of the law accountability often remains elusive What if the

law itself enables impunity Law s Impunity asks this question in the context of the modern Private Military Company PMC examining the relationship between law and the concepts of responsibility and impunity This book proposes that ordinary legal processes do not neutralise but rather legalise impunity This radical idea is applied to the abysmal record of human rights violations perpetrated by the modern PMC and the shocking absence of accountability This book demonstrates how the law organises rather than overcomes impunity by detailing how the modern PMC exploits ordinary legal processes to systematically exclude itself from legal responsibility Thus Law s Impunity offers an alternative to conventional thinking about the law providing an innovative approach to assess and refine the rigour of legal processes in the ongoing quest to end impunity

Diplomacy of Conscience Ann Marie Clark,2010-03-18 A small group founded Amnesty International in 1961 to translate human rights principles into action Diplomacy of Conscience provides a rich account of how the organization pioneered a combination of popular pressure and expert knowledge to advance global human rights To an extent unmatched by predecessors and copied by successors Amnesty International has employed worldwide publicity campaigns based on fact finding and moral pressure to urge governments to improve human rights practices Less well known is Amnesty International s significant impact on international law It has helped forge the international community s repertoire of official responses to the most severe human rights violations supplementing moral concern with expertise and conceptual vision Diplomacy of Conscience traces Amnesty International s efforts to strengthen both popular human rights awareness and international law against torture disappearances and political killings Drawing on primary interviews and archival research Ann Marie Clark posits that Amnesty International s strenuously cultivated objectivity gave the group political independence and allowed it to be critical of all governments violating human rights Its capacity to investigate abuses and interpret them according to international standards helped it foster consistency and coherence in new human rights law Generalizing from this study Clark builds a theory of the autonomous role of nongovernmental actors in the emergence of international norms pitting moral imperatives against state sovereignty Her work is of substantial historical and theoretical relevance to those interested in how norms take shape in international society as well as anyone studying the increasing visibility of nongovernmental organizations on the international scene

Disappearances and Political Killings : Human Rights Crisis of the 1990s - a Manual for Action. Chapter G-6 : Action Through the United Nations and Regional Institutions Amnesty International,1993

Censorship Derek Jones,2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested

in the history of and contemporary fate of freedom of expression **Forensic Anthropology Training Manual** Karen Ramey Burns,1999 This new book focuses on the challenges and responsibilities of the forensic scientist the multidisciplinary nature of the work and the international potential for the forensic sciences An excellent introduction to the realities of the profession of forensic scientist Trains in the description and analysis of human skeletal and dental remains Offers a well illustrated approach to osteology training including a concentration on vocabulary building the use of case studies and a structured approach to skeletal analysis and report writing An excellent text for those considering the field of forensic science **Encyclopedia of Human Rights** Edward H. Lawson,1996 Preface to the first edition **Combating Torture** Amnesty International,2003 Combating Torture brings together ideas campaign techniques and government standards and provides ideas about how they can be best implemented Case studies highlight how these have been used in practice all over the world *Truth and Reconciliation* Daan Bronkhorst,1995 **"Disappearances" and Political Killings** Amnesty International,1994 *Sri Lanka, State of Human Rights, 1994* ,1995 Contributory essays **Australian International Law Journal** ,2002 *To Serve and to Protect* Cees de Rover,1998 Basic law enforcement powers *The Safe Haven in Northern Iraq* Helena Cook,1995 **Evidence of Extrajudicial, Summary Or Arbitrary Executions in Africa** United Nations. Special Rapporteur on Extrajudicial, Summary, or Arbitrary Executions,1994 **Iraq, Human Rights Abuses in Iraqi Kurdistan Since 1991** ,1995 Women and the Contested State Monique Skidmore,Patricia Lawrence,2007 Introduction religion and women in peace and Conflict studies Monique Skidmore Contesting traditions religion and violence in South Asia Peter van der Veer The citizen as sexed women violence and reproduction Veena Das The nuclear fetish violence affect and the postcolonial state Betty Joseph Overcoming the silent archive in Bangladesh women bearing witness to violence in the 1971 Liberation War Yasmin Saikia The watch of Tamil women women s acts in a transitional warscape Patricia Lawrence Mothers and wives of the disappeared in southern Sri Lanka fragmented geographies of moral discomfort Alex Argenti Pillen The other body and the body politic contingency and dissonance in narratives of violence Mangalika de Silva Buddha s mother and the billboard queens moral oower in contemporary Burma Monique Skidmore With patience we can endure Ingrid Jordt To marry a man or a spirit women spirit possession cult and domination in Burma B n dicte Brac de la Perrire **Negotiating Local Knowledge** Alan Bicker,Paul Sillitoe,Johan Pottier,2003 A timely and up to date volume that presents a genuine contribution to the debates over indigenous knowledge
