*Man-made Catastrophes* Lee Allyn Davis, 1993-01-01 A worldwide survey of man made disasters describes fires explosions airplane crashes maritime disasters railway accidents civil unrest terrorism space disasters and nuclear and industrial accidents

*A Century of Man-Made Disasters* Nigel Blundell, 2019-10-30 A pictorial history of the major man made calamities that shocked the world throughout the twentieth century It was a period during which the power and scale of industrialization changed the planet an unforeseen consequence being the creation of more human created catastrophes than ever before experienced The events recorded here include the needless carnage of history s worst air disaster when two jumbo jets collided on the island of Tenerife We recall the horrors of Aberfan the Welsh village in which schoolchildren were buried alive The story of the explosion aboard the Challenger space shuttle reveals how warnings that were ignored led to the deaths of seven astronauts And we report on the failings that caused the nuclear nightmare at Chernobyl a poisonous blot on the face of the globe These and the other tragedies in this book were all man made and it seems just waiting to happen A further link between these horrific events is that they were all caused by either folly or greed or both But despite the tales of monstrous misfortune many also produced heart lifting stories of heroism selflessness sacrifice and human resilience
