**Discipleship that Fits** Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context *Discipleship That Fits* shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we

challenge and encourage one another on a regular basis

**Into His Likeness** Edward Sri, 2018-07-01 In the ancient disciple rabbi relationship the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi's feet Thousands of years later though we walk on roads of pavement and not dust we are still called to be disciples to follow our Rabbi Jesus Christ so closely that we are covered with his life changed and made new Into His Likeness provides an approachable but in depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives We might desire to live more like Christ but we know we fall short This book simply helps us follow those initial promptings of the Holy Spirit so that we may more intentionally encounter Jesus anew each day and be more disposed to his grace changing us ever more into his likeness

**The Disciple Maker's Handbook** Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts

**Disciples Are Made Not Born** Walter A. Henrichsen, 2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us

The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances

and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ. Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24/7 life with Jesus.

*Disciples of the Holy Spirit* Dr. George P. Kimber, 2015-12-07 Jesus gives the Holy Spirit to make people his followers and to guide them as disciples. Disciples of the Holy Spirit helps Christians to understand the work of the Holy Spirit to clarify the role of the Spirit in their lives as believers and to guide them along moral paths so they may embrace the Spirit's gifts and bear fruit to the glory of God. Author George P. Kimber taps his knowledge and experience from nearly six decades of discipleship as an evangelist, pastor, teacher, and professor to explain the gifts and fruits of the Holy Spirit. He outlines God's need for disciples in today's challenging times. He tells how the Holy Spirit empowers individuals to follow Jesus' unique model of discipleship. He describes the ethics of discipleship that Jesus taught in his Sermon on the Mount and that his apostles carried out in their ministries. He reinforces the truth that godly love underlies all of the Holy Spirit's work in the lives of disciples. Disciples of the Holy Spirit will guide you both in understanding how the Holy Spirit's gifts and fruits come to life in your discipleship and in applying moral principles to the faithful practice of the Spirit's gifts. In the end, you will come to know the Holy Spirit and its holistic work in your life.

Following the Master Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years, clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ. What should a disciple of Jesus look and act like today? What is the relationship between discipleship and salvation, between discipleship and sanctification, between discipleship and ministry? How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in making disciples of all the nations? In *Following the Master*, Michael J. Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world, traces Jesus' steps as he called and developed disciples in the Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries. It is essential reading for all pastors, students, and Christian workers.
