The Disciple and His Devil : Gabriel Pascal, Bernard Shaw Valerie Pascal,1970      *Beyond the Epic* Gene D. Phillips,2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics *The Bridge on the River Kwai* 1957 *Lawrence of Arabia* 1962 and *Doctor Zhivago* 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism *Beyond the Epic* The Life and Films of David Lean uses screenplays and production histories to assess Lean s body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director s life and career Phillips also explores Lean s lesser studied films such as *The Passionate Friends* 1949 *Hobson s Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean s approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean s successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature s greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean s ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean s epics to reveal this unifying characteristic in the director s body of work *Beyond the Epic* is a vital assessment of a great director s artistic process and his place in the film industry      **Video Versions** Thomas L. The common lament was Broadway will never be the same when *My Fair Lady* finally ended its stellar run the night of Sunday, September 30, 1962. Millions of people had seen the show over six years and had helped break box office records, even though Rex Harrison, Julie Andrews, Stanley Holloway, and Robert Coote did not stay with the cast throughout the six-year run. *My Fair Lady* used the substance and wit of George Bernard Shaw to add a new dimension to the Broadway libretto.
