Disciple Making Church:

The Disciple Making Church Glenn McDonald, 2004 Newly expanded and revised edition of bestseller about changing from a program based church to a church making disciples **The Disciple-Making Church** Bill Hull, 2010-06-15 A classic in Christian discipleship for twenty years this updated edition shows why disciple making should be the focus of every believer's life *Replicate* Robby Gallaty, Chris Swain, 2020-06-02 A Practical Guide to Creating and Sustaining a Culture of Disciple Making in Any Church Over the last few decades American churches have produced plenty of converts but not as many mature believers Studies show the majority of Christians don't even understand the basics of faith But how do you tackle such a big problem *Replicate* shows church leaders how to make disciples who make disciples and get the rest of your church on board as well This one on one relational ministry is how Jesus laid the foundation for His church that is still growing today and it's how we continue the work in our own local congregations Learn the five marks of a healthy disciple making church how to influence culture uproot misconceptions of the church and the gospel and change your church and community No more focusing on mere numbers it's time to grow in maturity and through multiplication Jesus Christ, Disciplemaker Bill Hull, 2004-02-01 Thomas doubted Peter denied Matthew had a shady past And most of Jesus' disciples had trouble understanding his true message and mission at times How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived And how can modern church leaders empower regular church members to meet their potential as servants of God In *Jesus Christ Disciplemaker* Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost By taking readers through four growth phases evangelizing establishing equipping and leading Hull shows how these principles can be adapted for any discipler *Jesus Christ Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service DiscipleShift Jim Putman, Bobby Harrington, 2013-04-23 Question What is the God-given purpose of the local church Answer Relational discipleship *DiscipleShift* walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church's God-given mandate Devoted disciples attract people outside the church because of the change others see in their Christ-like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers Through biblical and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You'll learn The specific roles of a disciple making pastor The components of person to person discipleship

How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches Strategic Disciple Making Aubrey Malphurs,2009-01-01 For many people church is there to meet their needs with programs designed with them in mind Strategic Disciple Making teaches these churchgoers to develop a servant s heart Readers will discover that they control the destiny of their church If they seek personal contentment they must grow as disciples and church expert Aubrey Malphurs explains the true meaning of the word This refreshing resource offers a radical how to for renewing faltering faith It is perfect for burned out ministers and downcast church leaders who want a more authentic discipleship experience The Lost Art of Disciple Making LeRoy Eims,2009-07-13 Every believer in Jesus Christ deserves the opportunity of personal nurture and development says LeRoy Eims But all too often the opportunity isn t there We neglect the young Christian in our whirl of programs church services and fellowship groups And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians In simple practical and biblical terms LeRoy Eims revives the lost art of disciple making He explains How the early church disciplined new Christians How to meet the basic needs of a growing Christian How to spot and train potential workers How to develop mature godly leaders True growth takes time and tears and love and patience Eims states There is no instant maturity This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church **The Disciple-Making Pastor** Bill Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church Making Disciples Ralph Moore,2012-12-21 The Great Commission is to make disciples Renowned church planter and pastor Ralph Moore shows leaders why a focus on making disciples is the essential next step once a church is planted This biblical practical handbook will guide churches of any size to focus their ministries around Jesus s command to his followers to make disciples of all nations Making Disciples offers a model of church ministry that sees every member as a minister and it will become an indispensable resource for equipping a new generation of disciple makers Becoming a Disciple-Making Church Neil T. Anderson,2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a convert into a disciple And how do we help our people get there Neil Anderson s Freedom in Christ ministry has been walking individuals through these steps for over a quarter century Now he turns his attention to pastors and church leaders teaching them how to help their people resolve personal and spiritual conflicts

including everything from difficult marriages to unrepentant sin to church disputes Before someone can mature spiritually they must be established alive and free in Christ through genuine repentance and faith in God This means churches must resolve their people's conflicts as the first step to discipleship rather than referring them to professional counselors We as believers have the answers for mental and emotional problems and through this ministry of reconciliation true discipleship happens *Leading the Discipleship: Becoming a Disciple-Making Church* Brandon Guindon, Lance Wigton, Luke

Making Michael Kramer, 2018-08-09 People not programs make disciples The call to disciple making is for every believer not just the ministry professional Jesus modeled disciple making and as His disciples we are called to follow His example Michael Kramer examines all aspects of disciple making and offers a straightforward and simple plan to equip the church He encourages Christians and ministry leaders to think critically about disciple making and to commit to Jesus Great Commission Michael makes the convincing argument that our willingness to engage in personal disciple making will deepen our own walks with Jesus and create a movement within our churches communities and countries that will impact generations for the sake of Christ *Contagious Disciple Making* David Watson, Paul Watson, 2014-12-23

It is hard to deny that today's world can seem apathetic toward Christians Some may look down at their iPhones when we mention God motion for the check when we bring up church or casually change the subject when we talk about prayer In a world full of people whose indifference is greater than their desire to know Christ how can we dream of growing the church In *Contagious Disciple Making* David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world A companion to Cityteam's two previous books *Miraculous Movements* and *The Father Glorified* *Contagious Disciple Making* details the method used by Cityteam disciple makers This distinctive process focuses on equipping spiritual leaders in communities where churches are planted Unlike many evangelism and church growth products that focus on quick results contagious disciple making takes time to cultivate spiritual leadership resulting in lasting disciple making movements Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church Features include Engagement tools for use in the field Practical techniques to equip others to make disciples **Making Disciples in**

the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But

how were they supposed to do that This book answers these questions The early church followed Christ s pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2 1 2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ s great commission Matthew 28 18 20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e g personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God s Word All three aspects are essential to form disciples Training is needed because disciples won t learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God s Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I ve read all of Joel Comiskey s books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International ____ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear

however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University __ The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He covers many aspects of cell church life showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus He takes us to the heart of the matter of the cell church as he states it The purpose of cell ministry is making disciples who make disciples Excellent book The movement in Brazil certainly will be blessed through this book Enjoy it Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil and publisher of Joel s books __ In his tremendously helpful new book Making Disciples in the Twenty First Century Church Joel Comiskey cuts directly to the core purpose of cell ministry which is making disciples who make disciples Then he tells us how to do it through the Cell Based Church Like Joel s other books Making Disciples in the Twenty First Century Church is solidly biblical highly practical wonderfully accessible and is grounded in Joel s vast research and experience Great job Joel Dave Earley Lead Pastor Grace City Church of Las Vegas Nevada Author Eight Habits of Highly Effective Small Group Leaders Adjunct Professor Liberty Baptist Theological Seminary __ For more than twenty years Joel Comiskey has served the cell church movement He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs Twenty years Now he combines two decades of observation as his capacity as a researcher He has scoured many books to assemble wise counsel for us His discussion of how community varies from culture to culture is indeed penetrating As I read through the pages I mentally noted specific Christian workers who need to read these pages Thanks Joel for the way you allow the King to speak through you to enlarge His Kingdom on earth Ralph Neighbour Jr key pioneer of the cell church movement ____ Joel Comiskey continues to deepen our understanding of the cell based church In Making Disciples we are equipped to carry out the Great Commission at maximum capacity Get ready to have your vision for ministry strengthened and expanded Andrew S Mason Small Groups Pastor Thrive Church Elk Grove CA Founder SmallGroupChurches.com ____ As one of the world s leading experts on cell based churches Joel Comiskey is well placed to show how New Testament style disciple making works His decades of experience in fields of ministry all over the world confirm that every member ministry and personal investment in disciples are God s pathway to true maturity and expansion of the kingdom of God This well written book deserves attention from every serious Christian Dennis McCallum Author Organic Discipleship [Stay the Course](#) Brandon Guindon,2018-07-15 Pastors and church leaders desperately want to make disciples but they often find

themselves veering off the road of discipleship or even heading toward a cliff The many challenges of ministry cause churches to stray from effectively making disciples Stay the Course keeps leaders on the path so they can help people follow Jesus until the end Church consultant and lead pastor Brandon Guindon uses seven essential practices or guardrails to guide you along the road of disciple making in your local context These core practices come from his experience in various church contexts from church plants to churches in transition and guard you from danger on your journey Embrace these seven practices as Stay the Course challenges and inspires you This resource helps you apply them to your personal life and implement them in your church resulting in churches that faithfully make disciples and disciples who stay on track Book cover [Real-Life Discipleship](#) Jim Putman,2014-02-27 Is your church making disciples who make disciples who make disciples Real Life Discipleship explains what should happen in the life of every Christian and in every small group so that the church becomes an army of believers dedicated to seeing the world saved With the overriding goal to train disciples who know how to make more disciples this book offers proven tools and strategies from Real Life Ministries one of America's fastest growing churches In this book you will learn How to create churches that succeed and grow How to intentionally disciple believers in every stage of their spiritual development How to find and develop leaders in your church This book also contains these helpful features A summary and profile of each stage of spiritual growth Recommended resources for disciple makers Spiritual facts A presentation of the gospel Discover what the Bible says about true and effective discipleship with these strategies and practices in this great church resource **The Disciple Maker's Handbook** Bobby Harrington,Josh Robert Patrick,2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple
