Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers Christ Changing Lives Rod Culbertson, 2018-07-31 If you are involved in the local church or any ministry that wants to create an ethos of Christian growth and education or disciple investing *Christ Changing Lives Digging Deeper into the Practice of Disciple Investing* is a book that will assist you in thinking through a philosophy of how to invest in followers of Christ *Following up* on the introductory material of its earlier companion book *The Disciple Investing Life* *Christ Changing Lives* will take the reader into a thoughtful treatment of systems of discipleship the art of diagnosis situations one might encounter in the discipling process and how to create balanced disciples The book will also conclude by providing some helpful ideas about how to disciple others in a local church or campus ministry setting Both church and ministry leaders as well as those seriously interested in the task of disciple investing should profit from the practical ideas contained in this insightful publication **Disciplemakers' Handbook** Alice Fryling, J.
