Dimensions Of The Word:

4 Dimensions of the Word of God John T. Muzam, 2013-09-03 The 4 Dimension Of The Word of God is a spirit filled word from the Lord for those who have unquenchable desires for God and for His Glory This book will speak to every facet of your body soul and spirit Be assured It will awaken that divine seed in you build you up in faith and help move you from one level of glory to another This book is about revealing to you some truths that you have never known before The treasure in you will be brought to light and God will unveil to you the secret of a life of exploits in Christ Some of the things you will learn in this book are The 4 dimensions of the word of God Stages of Growth kinds of Knowledge and fulfilling your divine purpose Epignosis just to name a few The Four Dimensions is an insightful analysis of the gospel and its practical implications for a life of true discipleship I recommend this man of God and this book to you Rory Kaye CEO International Arts whether you are a believer or not a minister of the Gospel or even a businessman John took his time to explain detail truths about the Word of God I call it God's word Injection Rev Paul Bokwe Ohio USA This book is therefore a must read for any Christian who wants to excel in life and Ministry It has not only shed more light on putting our faith on the word but has gone ahead to show the depths and dimensions of the word Kezie Nwachukwu High Commission of Nigeria Kiev Ukraine

Four Dimensions of the Word of Transformation Alo Olatokunboh Akin, Pst Alo Olatokunboh Akin, 2015-11-03 Words are powerful The effect of the spoken Word is always felt via its manifestation in the life of whomever it is spoken into either instantly or later in the future God by the power of His Word brought everything in the world into existence the Word of God doesn't just come passively it comes actively In this book I will be revealing unto you the four Dimensions in which the Word of God comes into people's lives to provoke transformation and they share their testimonies To the servants or ministers of God reading this book it is to empower you the more about the Word you speak whenever you minister the Word of God you should be operating in these four Dimensions or any of them at a time then your ministry and ministration will encounter a transformation to another level The operational level of your word ministration affects the level of your impact in the ministry This book is not just talking about the Bible or the written Word Logos but about the spoken and revealed Word of God Rhema which is able to bring profit build up and bring inheritance healing and deliverance to both the hearers and the speakers These four Dimensions talk about the four aspects in which the Word of God can be operated and it will provoke manifestations and testimonies understand that The Word of God is a carrier of the Power of God this can be seen in the synopsis of the creation of the world in Genesis chapter one we see that as God spoke everything HE said came to pass I therefore declare that from today your Words will become effective instantly in the Precious name of Jesus Christ The four Dimensions are here listed The Dimension of Power The Dimension of Authority The Dimension of Glory The Dimension of Fire The Word of God can operate or be operated in all or any of these four Dimensions and its effect will be felt wherever it is encountered or released The Word comes with the intent to affect impact impart and influence the lives of people to

provoke transformation which will be glaring to every eye that behold it even if you are angry with the person that has encountered that change you will see it because it will be obvious

Dimensions of the Word Grzegorz Drożdż, 2014-06-12 This volume inscribes itself in the long standing debate on the status of the word Considering its multifaceted nature the authors formulate multiple questions about it and though no answer to these questions might be exhaustive each of them brings the reader closer to a more complete understanding of the issue The eleven authors included here address the nature of the word from a number of perspectives such as the duality of the word the status of the word as a meaningful unit the meaning extension the lexico grammar continuum and the pragmatic functioning of the word to name but a few Each of the chapters is a fresh contribution that broadens the perspective traditionally adopted in a discussion of the word and at the same time constitutes a sound overview of the issues and approaches taken in such an analysis at the turn of the second to the third millennium The volume is a prime example of the efficiency of research within which multiple linguistic perspectives focus on a single problem all the perspectives contribute to a more thorough comprehension of the problem than any single of them is ever able to afford

Algebra for beginners. [With] Key Isaac Todhunter, 1897 The Philosophy of J. L. Austin Martin Gustafsson, Richard Sørli, 2011-12-01 These new essays on J L Austin's philosophy constitute the first major study of his thought in decades Eight leading philosophers join together to present a fresh evaluation of his distinctive work showing how it can be brought to bear on issues at the top of today's philosophical agenda such as scepticism and contextualism the epistemology of testimony the generality of the conceptual and the viability of the semantics pragmatics distinction The contributors offer in depth interpretations of Austin's views and demonstrate why his work deserves a more central place in mainstream philosophical discussion than it currently has The volume also contains a substantial introduction that situates Austin's thought in its original intellectual milieu and provides an overview of the many different ways in which his ideas have influenced later developments in philosophy and elsewhere
