Dimitrov On United Front:

The United Front Georgi Dimitrov, 1938 The reports speeches and articles by Georgi Dimitroff general secretary of the Communist International cover all important international developments since 1935 The collection opens with his political report to the Seventh World Congress of the Communist International held in August 1935 and runs through the following two years to the end of 1937 Page 7 Georgi Dimitrov Georgi Dimitrov, 1951 **Stalin's Economist** André Mommen, 2011-04-06 This book analyses the contribution of Eugen Jen Varga 1879 1964 on Marxist Leninist economic theory as well as the influence he exercised on Stalin s foreign policy and through the Comintern on the international communist movement During the Hungarian Councils Republic of 1919 Varga was one of those chiefly responsible for transforming the economy into one big industrial and agrarian firm under state authority After the fall of the revolutionary regime that year Varga joined the Hungarian Communist Party soon after which he would become one of the Comintern s leading economists predicting the inevitable crisis of the capitalist system Varga became the Soviet Union s official propagandist As an economic specialist he would advise the Soviet government on German reparation payments and unlike Stalin believed that the capitalist state would be able to plan post war economic recovery which contradicted Stalin s foreign policy strategy and led to his disgrace Thus by the beginning of the Cold War in 1947 Varga was discredited but allowed to keep a minor academic position After Stalin s death in 1953 he reappeared as a well respected economist whose political influence had nonetheless waned In this study Mommen reveals how Stalin s view on international capitalism and inter imperialist rivalries was profoundly influenced by debates in the Comintern and by Varga s concept of the general crisis of capitalism Though Stalin appreciated Varga s cleverness he never trusted him when making his strategic foreign policy decisions This was clearly demonstrated in August 1939 with Stalin s pact with Hitler and in 1947 with his refusal to participate in Marshall s European Recovery Plan This book should be of interest to a wide variety of students and researchers including those concentrating on the history of economic thought Soviet studies international relations and European and Cold War history Georgi Dimitrov Marietta Stankova, 2010-02-28 Georgi Dimitrov burst onto the international scene in 1933 as one of the Comintern operatives in Germany accused of the Reichstag fire The Bulgarian Communist s spirited self defence in the resulting Leipzig Trial made him a celebrity among Communists worldwide particularly in the Soviet Union where he became Secretary General of the Comintern after his acquittal Popular opinion holds that this whirlwind who defied Goering and the Nazis in full view of the world subsequently became little more than a rubber stamp for Stalin This lucid and fascinating biography the first in English reveals a more multifaceted treatment of Dimitrov highlighting especially the deep complexity of his relationships with his two greatest political allies Stalin and Tito With unique authority drawn from extensive archival research Marietta Stankova strips away decades of conventional wisdom to reveal Georgi Dimitrov in all his roles as labour agitator Leipzig Trial icon loyal Stalinist and Pan Balkan visionary Dimitrov entered radical politics at an early age and was a

central figure in the formation of the Bulgarian Communist Party in 1919 A failed uprising forced him into exile and brought him in disfavour in his Party which he counteracted through loyal inconspicuous service at the Comintern where he was eventually put in charge of the Western European section Following his spectacular clash with the Nazis in the Leipzig Trial Dimitrov was appointed General Secretary of the Comintern In this post Dimitrov was Communism s ambassador to dissidents and radicals the world over At the same time he was deeply implicated in the Soviet political purges of the latter 1930s Through these he also consolidated his leadership of his native Party but it was only in 1946 two years after the Bulgarian communists had seized power in the wake of World War II that he was sent home to lead the new Bulgarian Communist government Working against ill health and Stalin s often unpredictable behaviour he remained committed to the establishment of Communism in Bulgaria and to upholding Soviet interests even if this meant the destruction of one of his lifelong aspirations a Balkan Federation Using new and unpublished sources Stankova brilliantly reconstructs the dilemmas that Dimitrov faced throughout his long and varied political career This definitive and long overdue biography makes a major contribution to the history of Bulgaria and of the Balkans as a whole as well as to the field of Communist Studies

Bibliography of the Communist International (1919-1979) Vilem Kahan,2023-08-14 Until now the Communist movement has been studied more from the national perspective than the international This scholarly tradition seems to be at odds with the organisational interconnection even subjugation of the national communist parties sections to the Communist International or Comintern 1919 1943 but it is understandable from the point of view of the historian who has only national sources at his disposal newspapers brochures interviews Nowadays the tendency is for the international component of the Communist movement to participate in research The archives of the Comintern are gradually being released by the Soviet Union and an enormous number of official publications is emerging and being made available in libraries by reprints Here Vil m Kahan s bibliography is an indispensable tool in listing nearly all reference works and publications by and on the Comintern and in giving a list of aliases of speakers on Comintern meetings and an overview of all agendas of the meetings These lists are based on research in 14 specialised Western libraries and on the knowledge of a dozen European languages The second volume will deal with the front organisations a third and last volume with the national sections **The Calcutta review** ,1921 *The United Front Against Fascism and War* Georgi Dimitrov,1935 [The Communist Party of the United States](#) Fraser M.
