*Helming to Win* Nick Craig, 2025-03-04 Nick Craig's ground breaking *Helming to Win* was published 10 years ago to great reviews. Many sailing books can be recycles of familiar themes and ideas. Not this one. This is a highly personal and radical fresh view of the subject area. In the following decade since it was published Nick has won 10 World 3 European and 20 National Championships. That's winning more championships than most of us have attended over this period. As an amateur sailor with a senior full time job Nick knows how to make the most of his time on the water. Every race is recorded in his notes every race builds on his knowledge. This new edition of *Helming to Win* utilises what he has learnt from those 33 championship wins and many other less successful events with new learning new anecdotes new photos and additional captions on the photo sequences to ensure the key learnings are easy to take on. This updated breakthrough book will help you make the transition from weekend racer to national champion just as Nick has done. Covering everything from where to look and getting in the groove to mental approaches and championship sailing you will be working your way up the leaderboard in no time. Packed full of intelligent insight brilliant top tips and engaging photo sequences if your goal is to win then this is the book for you.
