### **Dining With Terrorists Tpb Aus Ed:**

*Dining with Terrorists* Phil Rees, 2005 When George W Bush screamed You re either with us or you re against us in the war on terror he eradicated the right of anyone to question his logic or challenge his new list of terrorist organisations These included as diverse candidates as Colombian coca farmers Basque separatists and Kashmiri independence fighters Lazily bandied around the emotive political and inflammatory word terrorism has accompanied everything from ecology narcotics to nuclear weapons But one would do well to recall George Orwell and new speak and to treat the headlines the spin and the political justifications with the objectivity they deserve By infiltrating the most inaccessible political resistance groups over the past 20 years Phil Rees has sought to understand what motivates the terrorist or freedom fighter and to balance this against the context of the current world events and the sweeping power of US military might Through the sharing of refreshment and discussion with terrorists in such diverse countries as Colombia Algeria Kosovo UK Indonesia Sri Lanka Iran Lebanon France Cambodia and Ireland Rees was able to pierce the headlines the propaganda and the official government line to discover the human story behind the faceless hooded caricature As entertaining and intriguing as it is polemic and timely this is the only book that challenges our preconceptions of just what the word terrorist actually means and how dangerous a weapon it is      *Dining with Terrorists* Phil Rees, 2005
